Gynecology, Obstetrics & Reproductive Health

Aug 23-24, 2018
Amsterdam, Netherlands

Theme:

Technical Strategies in Pre-natal grief, Child Birth and Congenital Disorders

EuroSciCon

Euro Gynecology

2018

Invitation

Welcome to Amsterdam, is the capital and most populous municipality of the Netherlands. EuroSciCon is proud to host the Annual Conference on Gynecology, Obstetrics & Reproductive Health, and Aug 23-24, 2018 in Amsterdam, Netherland. This year's theme is Technical Strategies in Pre-natal grief, Child Birth and Congenital Disorders. Euro Gynecology 2018 will provide an unprecedented opportunity for gynecologists of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite gynecologists, pharmacologists, and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career, professionals and just starting out are all welcome. With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Euro Gynaecology 2018 Conference is the perfect venue not only to dive into your particular Gynaecological and Obstetrics interests but also to expand the scope of your knowledge. 19 tracks are devoted to subjects such as the Gynaecology and Obstetrics pathology, Recent advances in Gynaecology Medical complication in pregnancy, Gynaecological Endocrinology, Tubal ligation, Minimally Invasive Gynaecologic Surgery etc. The Organizing Committee has done its best to set up a framework that we think will allow for creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Gyneological and Obstetrics forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ gynecologist and pharmacologists accessing the website, Euro Gynecology 2018 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Euro Gynecology 2018 - Silent Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

About Destination Amsterdam

Amsterdam is the Netherlands' capital, known for its artistic heritage, elaborate canal system and narrow houses with gabled facades, legacies of the city's 17th-century Golden Age. Its Museum District houses the Van Gogh Museum, works by Rembrandt and Vermeer at the Rijksmuseum, and modern art at the Stedelijk. Cycling is key to the city's character, and there are numerous bike paths. Amsterdam's musical culture includes a large collection of songs which treat the city nostalgically and lovingly. Amsterdam is famous for its vibrant and diverse nightlife. The two main nightlife areas for tourists are the Leidseplein and the Rembrandtplein. The city holds the Dam to Dam Run, a 16-kilometre (10 mi) race from Amsterdam to Zaandam, as well as the Amsterdam Marathon.
