

EuroSciCon

European Congress on

Otorhinolaryngology and Communication Disorders

Sep 20-21, 2018
Lisbon
Portugal

Theme:
Current concepts & Implications in the field of Rhinology & Otology

Invitation

Welcome to Lisbon, the City of Lights and Cultures, and experience the science of Otorhinolaryngology illuminated as never before. EuroSciCon is proud to host the **European Congress on Otorhinolaryngology and Communication Disorders,** during Sep 20-21, 2018 in **Lisbon, Portugal**. This year's theme is Current concepts & Implications in the field of Rhinology & Otology. Euro Otorhinolaryngology 2018 will provide an unprecedented opportunity for Otorhinolaryngologists of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Neurotologists, Otorhinolaryngologists, Head & Neck Specialists,and ENT specialists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Otorhinolaryngology and Communication Disorders Conference is the perfect venue not only to dive into your particular otologicals interests but also to expand the scope of your knowledge. 21 tracks are devoted to subjects such as the Endoscopic Surgery, Laryngology, Neurotology, Sinusitis- Types and Treatment, Tinnitus, ENT Disorders, Head, Neck and Oral Oncology, Anatomical and Physiological Disorders of Nose and Ear, Rhinitis and Rhinosinusitis - Types and Treatment, Sinonasal Disorders and Surgical Treatment, Diseases of Middle and Inner ear, Hearing Impairment and Deafness- Causes and Treatment, Surgical Approaches for Larynx in Adults and Pediatrics, Facial Plastic and Reconstructive Surgery, Pediatric Otolaryngology, and Anesthesia and Pain Relief in ENT Surgery.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

EuroSciCon

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Otolaryngologists and ENT specialists accessing the website, Euro Otorhinolaryngology 2018 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Euro Otorhinolaryngology 2018 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

2018

Who'd be attending?

European Congress on Otorhinolaryngology and Communication Disorders plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Prominently Otorhinolaryngology Consultants, Otorhinologists and Neurotologists, ENT specialists, Head and Neck Surgeons, Vocologists, Pathologists and Otolaryngologist and others who stay plunged in learning and practice of the Otorhinolaryngology and Communication Disorders.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Anatomical and Physiological Disorders of Nose and Ear
- Rhinitis and Rhinosinusitis - Types and Treatment
- Sinusitis- Types and Treatment
- Sinonasal Disorders and Surgical Treatment
- Surgeries for Nasal Disorders
- Ear Disorders
- Diseases of Middle and Inner ear
- Tinnitus
- Neurotology Hearing Impairment and Deafness- Causes and Treatment
- Surgical Approaches for Ear Disorders
- New Treatment Approaches for Hearing Disorders
- Laryngology
- Surgical Approaches for Larynx in Adults and Pediatrics
- Pediatric Otolaryngology
- ENT Infectious Diseases
- Facial Plastic and Reconstructive Surgery
- Head, Neck and Oral Oncology
- Anesthesia and Pain Relief in ENT Surgery

About Destination Lisbon

Lisbon is the stunning capital city of Portugal, and is one of the most charismatic and vibrant cities of Western Europe. It is a city that effortlessly blends traditional heritage, with striking modernism and progressive thinking. As a holiday destination, Lisbon offers a rich and varied history, lively nightlife and is blessed with a glorious year-round climate. It perfectly reflects the Portuguese culture, which embraces modern culture whilst maintaining its unique heritage and traditions. Lisbon is constantly recognized as one of the greatest cities in the world, a claim confirmed by the “Lonely Planet Guides”, which named Lisbon as one of the top 10 cities in the world to visit. Surprisingly enough, it still is one of the least visited capital cities in Europe. The best visiting places of Lisbon are Parque das Nações, Belém Tower, São Jorge Castle, Bairro Alto and Largo do Carmo.

Lisbon is the capital and the largest city of Portugal, with an estimated population of 552,700 within its administrative limits in an area of 100.05 km2. Its urban area extends beyond the city’s administrative limits with a population of around 2.7 million people, being the 11th-most populous urban area in the European Union.
