Invitation

Welcome to Madrid, the City of Arts and Science, and experience the science of Euro Primary Care 2018 illuminated as never before. EuroSciCon is proud to host the 7th International Conference on Family Medicine & Euro Primary Care, February 22-24, 2018, France. This year's theme is **Emphasizing latest Innovations in Family Medicine and Primary Care**. Euro Primary Care 2018 will provide an unprecedented opportunity for Physicians of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field of Family Medicine. We invite Physicians, Nurse, and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the 8th International Conference on Family Medicine & Primary Care is the perfect venue not only to dive into your particular Health Care interests but also to expand the scope of your knowledge. 16 tracks are devoted to subjects such as the Primary Care Physicians

Primary Care Nursing, Primary Care Medicine, Quality In Primary Care, Primary Healthcare.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Health Care forum in person is your active participation.
