EuroSciCon

Euro proteomics 2018

December 03-04
Amsterdam, Netherlands

Euro proteomics

https://protein-proteomics.euroscicon.com

Day 1, Agenda

General Session

08:00 AM — INTRODUCTION

09:00 AM — PLENARY

10:00 AM — KEYNOTE

Networking & Refreshments

	HALL 01	HALL 02
11:00 AM	Talks On: **Mass spectromery in protein research**	Talks On: **Proteomics from discovery to function**
	Talks On: **Structural proteomics**	Talks On: **Chemical proteomics**
	SESSION DISCUSSION	**SESSION DISCUSSION**
02:00 PM	Panel Over: **Over expression and purification of proteins**	Panel Over: **Chromatin Euro proteomics**
	Workshop On: **Protein Interaction**	Workshop On: **Protein identification and validation**
	Lunch Break @ Restaurant	***Lunch Break @ Restaurant***
04:00 PM	Talks On: **Proteomics and its medicinal research**	Talks On: **Proteomics in biochemistry and molecular biology**
	Lectures on: **Discovery & targeted proteins**	Lectures on: **Annotation, visualization, integrated discovery**
06:00 PM	Session On: **Preventive and personalised medicine**	Session On: **Neuroendocrinology and proteomics**
	NETWORKING	**NETWORKING**

Day 2, Agenda

General Session

08:00 AM — INTRODUCTION

09:00 AM — PLENARY

10:00 AM — KEYNOTE

Networking & Refreshments Break @ Foyer

	HALL 01	HALL 02
11:00 AM	Talks On: **Proteomics in computational systems biology**	Talks On: **Proteomics for bioinformatics**
	Talks On: **Proteomics and its research**	Talks On: **Protein microarrays**
	SESSION DISCUSSION	**SESSION DISCUSSION**
02:00 PM	Panel Over: **Alogorithm biology & health informatics**	Panel Over: **Next generation computind and communication technologies**
	Workshop On: **Applied bioinformatics & public health microbiology**	Workshop On: **proteomics database**
	Lunch Break @ Restaurant	***Lunch Break @ Restaurant***
04:00 PM	Talks On: **Cancer proteome & biomarkers**	Talks On: **Plant proteomics**
	Lectures on: **Biophaemaceuticals and its applications**	Lectures on: **Protein profiling**
06:00 PM	Session On: **Genetic alteration**	Session On: **Protein identification and validation**
	NETWORKING	**NETWORKING**

PLAN A TRIP TO Amsterdam: DESTINATION OF Euro proteomics Euroscicon 2018

Amsterdam is the capital and most crowded district of the Netherlands. As the business capital of the Netherlands and one of the best budgetary focuses in Europe, Amsterdam is viewed as an alpha world city by the Globalization and World Cities (GaWC) ponder gathering. The city is additionally the social capital of the Netherlands. Many vast Dutch foundations have their central command there, and seven of the world's 500 biggest organizations, including Philips, AkzoNobel, TomTom and ING, are situated in the city. Also, numerous driving innovation organizations have their European home office in Amsterdam, for example, Uber, Netflix and Tesla. In 2012, Amsterdam was positioned the second best city to live in by the Economist Intelligence Unit (EIU) and twelfth universally on nature of living for condition and framework by Mercer. The city was positioned third in advancement by Australian development office in their Innovation Cities Index 2009.

EXPLORE THIS EMBODIMENT TOURIST HERITAGE

Amsterdam, the great City for its historical landmarks, light festivals and famous bridges is a place worth visiting once in a lifetime. Following are the famous tourist marvels of the city.

City Attractions
