EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

November 08-09, 2018
London, UK

EuroSciCon

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

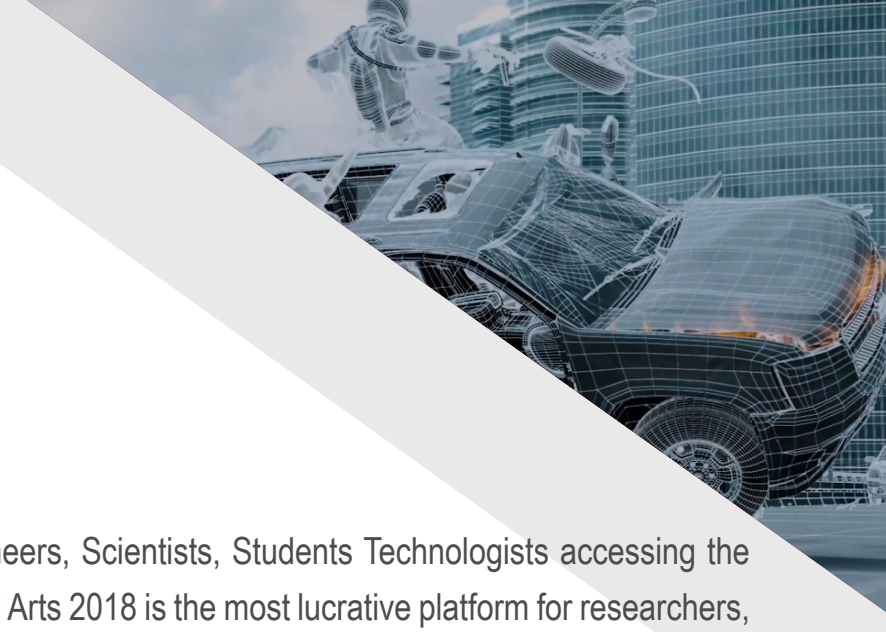

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Developers, Engineers, Scientists, Students Technologists accessing the website, Graphic Design and Digital Arts 2018 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Advancements in Graphic Design, Animation & Web Design Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

November 08-09, 2018
London, UK

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Who'd be attending?

EuroSciCon Conference on Advancements in Graphic Design, Animation & Web Design plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Designers,Engineers,Scientists,Students and others who stay plunged in learning and practice in the Graphics & its technologies.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Color
- Typography
- Web Design
- Illustration
- 3D printing
- 2D Animation
- 3D Animation
- Visual effects
- Virtual Reality
- Digital Painting
- Logo Design
- Digital Media
- Game Design
- Advertisement Design
- Visual Arts
- Cinematography
- Digital Printing
- Packaging and Labeling

2018

About Destination London

London is the capital of England and the most famous city in Britain. The city is a convergence of the old and the new cities and is one of the most important tourist destinations in the entire world. It is a city with several attractions of all types including great architecture and heritage. Founded by the Romans, the city of London has been a major encampment over a thousand years. London is a leading global city and one of the most important city in the field of art, commerce, entertainment, education, finance, fashion, health care, media, tourism and transport. London is made of two ancient cities which are now merged together to form the capital. The two cities are: The city of London and the City of Westminster. Together, they are known as Greater London. London attracts over 15 million international tourists in a year. The countless attractions in the city like the Big Ben, London Bridge, and Tate modern attract a large number of visitors. The Shard is the tallest building in the London city. There are various museums and art galleries in London which preserve the heritage and culture of the tremendously rich historic city. There are also several parks in the city for the tourists to visit.

Top Attractions in London, UK

BigBen: BigBen is the Name of the bell in the clock which is at the North end of Westminster palace. This is the world's largest four faced striking clock. This tower is the most prominent symbol of London city.

London Bridge: London Bridge was built on River Thames. This Bridge Replaced the Stone Arched Bridge and was built with concrete and steel. The London Bridge is Located at Western end of Pool of London.

Tate Modern: Tate Modern is the World's Largest Modern Art Gallery situated in southwark London. Tate Modern Belongs to Tate Group and it holds many Modern arts since 1900.In this museum we can Display the arts for free of cost.

London Zoo: London Zoo was opened to the public in late 1850.It is Located on the Northern edge of Regent Park. The London Zoo Holds nearly 700 species of animals and named as the Largest Zoo with highest collection of animals in Britain.

St Paul's Cathedral: St Paul's Cathedral is situated on Ludgate Hill of the London City and is the seat of bishop. This is known as mother church in London with great history and heritage and culture of royal Britain.
