Invitation

Welcome to London, the City of Arts and Science, and experience the science of Healthcare illuminated as never. Euroscicon is proud to host the 14th Edition of International Conference on Health and Primary Care, May 28-29, 2018 in London, UK. This year's theme is "Technologies revolutionizing health and primary care". Healthcare 2018 will provide an unprecedented opportunity for Healthcare Professionals, Physicians, Health care administrators, Researchers, financial managers, policy makers and Academicians of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Pharmacists, Epidemiologists, Healthcare specialists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome. With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Healthcare Conference is the perfect venue not only to dive into your particular interests but also to expand the scope of your knowledge. 11 tracks are devoted to subjects such as Primary Care and Public Health, Primary Care and Family Medicine, Primary Care and Diabetes, Primary Care and Dermatology, Primary Care and Geriatrics, Primary Care and Sports Medicine, Primary Care and Community Health, Healthcare and Technologies, Healthcare and Pharmaceuticals, Healthcare and Patient Safety, Healthcare and Nursing.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant healthcare forum in person is your active participation.
