To discuss and share the latest updates and cutting-edge technologies in the field of Hepatology

EuroSciCon

Hepatology Congress

2018

Invitation

Welcome to Vienna, the City of Arts and Science. EuroSciCon is proud to host the 8th Edition of International Conference on Hepatology, July 05-07, 2018 in Vienna, Austria. This year's theme is To discuss and share the latest updates and cutting-edge technologies in the field of Hepatology. Hepatology Congress 2018 will provide an unprecedented opportunity for Hepatologists & Gastroenterologists of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite hepatologists, gastroenterologists, and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Hepatology Conference is the perfect venue not only to dive into your particular hepatology interests but also to expand the scope of your knowledge. 18 tracks are devoted to subjects such as the viral hepatitis, liver transplantation and surgery, cirrhosis and its complications, liver cancer, diagnosing of liver diseases, pancreatitis, metabolic liver disease, pancreatic cancer, viral hepatitis c, liver failure.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant hepatology forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

About Destination Vienna

Vienna, also described as Europe's cultural capital, is a metropolis with unique charm, vibrancy and flair. It boasts outstanding infrastructure, is clean and safe, and has all the inspiration that you could wish for in order to discover this wonderful part of Europe. It is Austria's biggest city also known as city of music, arts and culture with 2 million inhabitants. The influx of visitors from all over the world has made Vienna the most popular urban tourist destination in Austria.

It lies in the country's east on the Danube River. The city is also known for its Imperial palaces, including Schönbrunn, the Habsburgs' summer residence Its artistic and intellectual legacy was shaped by residents including Mozart, Beethoven and Sigmund Freud. In the Museums Quartier district, historic and contemporary buildings display works by Egon Schiele, Gustav Klimt and other artists.

Vienna is a dream city for anyone with a romantic streak or an interest in history. Sightseeing opportunities are to be found in abundance. Wander along narrow, medieval alleyways or across imperial squares, view Schönbrunn Palace or the Imperial Palace in the footsteps of Sissi and Emperor Franz Josef, and marvel at the majestic architecture along the Ring Boulevard. Be inspired by an atmosphere steeped in history - which also boasts the comforts and infrastructure of a modern city.
