Infectious diseases and STD-AIDS

2019

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 300+ Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ chemists and Professors and Doctors accessing the website, Infectious Diseases and STD-AIDS 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense net-working opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Infectious Diseases and STD-AIDS 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senoir professors

Pre Exposure Prophylaxis

Combatting HIV Drug resistance

Is HIV infection a universally fatal diagnosis

Meet and listen to the relevant cases

April 15-16, 2019

Paris, France

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience

It organizes 300+ Conferences across the globe connecting different sciences in 30+ countries

Over 25 Million+ Visitors and 20000+ Unique Visitors per conference

World's leading industries and companies attend

Career guidance for early career researchers and students

Provides insights you need to take your research to the next level

A huge conclave of high tech and science priests

EuroSciCon

Infectious diseases and STD-AIDS

2019

Who'd be attending?

8th Euroscicon Conference on Infectious Diseases and STD-AIDS gives chance to meet academicians, experts Professors ,associate and assistant professors in Infectious Diseases and STD-AIDS and its related fields. Post-doctoral and researchers in Infectious Diseases and STD-AIDS. Directors,Presidents,delegates from pharma companies from all over the world ,relevant graduates and post graduate students from the Infectious diseases and STD-AIDS and its allied a areas respectively and share ideas,knowledge and different views on various areas of Infectious Diseases and STD-AIDS.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Infectious diseases
- Evolution of STDS
- STDS and infertility
- Neuro infectious diseases
- Viral infectious diseases
- paediartic infectious diseases
- Food and water borne illness
- Prevention and Treatment
- HIV/AIDS
- HIV/AIDS related cancer
- Symptoms and Diagnosis
- HIV Diagnosis and Theraphy
- Nanotechnology in HIV Treatment
- Advannced Diagnostic Tools
- Drug Resistance and Mutation
- Multimorbidities and complications
- Vaccines and Vaccination
- Programs in Biology And Retrovirolgy
- Drug Reasearch and Development
- HIV/AIDS Sigma,Discrimination and Living Experience With HIV People
- Global Trends Emerging in infectious Diseases

EuroSciCon

See your work PUBLISHED

in one of our related journals

- Journal of Transmitted diseases and immunity
- AIDS Care - Psychological and Socio-Medical Aspects of AIDS/HIV
- Advances in HIV Treatment
