8th Edition of International Conference on

Natural Products, Medicinal Plants and Traditional Medicines

Theme:

Exploring new horizons in Natural Medicine

EuroSciCon

Natural Products

2019

Invitation

Welcome to Sydney, the City of Arts and Science. EuroSciCon is proud to host the **8th Edition of International Conference on Natural Products, Medicinal Plants and Traditional Medicines, February 18-19, 2019** in **Sydney, Australia**. This year's theme is Explore new horizons in Natural Medicine. Natural Products 2019 will provide an unprecedented opportunity for leading educational scientists and Herbalists of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Researchers, Traditional Medicine Experts, Herbalists, Acupuncturists, Naturopathic medicine doctors, Ayurveda experts, TCM doctors and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome. With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Natural Products Conference is the perfect venue not only to dive into your particular Alternative medicine interests but also to expand the scope of your knowledge. 18 tracks are devoted to subjects such as the Natural Product Market and Future Scope, Importance of Herbal Medicine, Alternative Medicine-Advanced Treatments & Current Research, Acupuncture, Naturopathic Medicine, Traditional Chinese Medicine, Chiropractic and Osteopathic Medicine, Holistic Nutrition, Ayurveda & Homeopathy, Natural Product Development, Physical Therapies and Rehabilitation, Traditional Veterinary Medicine, Pharmacognosy and Phytochemistry, Arabic and Unani Medicine and Herbal Cosmetics and Nutraceuticals.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Natural Product forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

2019

About Destination Sydney

Sydney is the state capital of New South Wales and the most populous city in Australia and Oceania. Located on Australia's east coast, the metropolis surrounds Port Jackson and sprawls about 70 km on its periphery towards the Blue Mountains to the west, Hawkesbury to the north, and Macarthur to the south.[9] Sydney is made up of 658 suburbs, 40 local government areas and 15 contiguous regions.

Sydney has hosted major international sporting events such as the 2000 Summer Olympics. The city is among the top fifteen most-visited cities in the world, with millions of tourists coming each year to see the city's landmarks. Boasting over 1,000,000 ha (2,500,000 acres) of nature reserves and parks, its notable natural features include Sydney Harbor, the Royal National Park, Royal Botanic Garden and Hyde Park, the oldest parkland in the country. Built attractions such as the Sydney Harbor Bridge and the World Heritage-listed Sydney Opera House are also well known to international visitors. The main passenger airport serving the metropolitan area is Kingsford-Smith Airport, one of the world's oldest continually operating airports. Established in 1906, Central station, the largest and busiest railway station in the state, is the main hub of the city's rail network.
