Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 19 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ technologists accessing the website, Neonatology 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Neonatology 2019 Salient Features:

In the world of overloaded information, we focus on the issues most relevant to today's Health care system enabling our patrons to Congregate with most senior executives Nurture connexions Agenda format which incorporates ample Q&A time Partake in our revamped exhibitor expo sessions. Meet and listen to the Professional Doctors and Specialists of health care systems.

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

Who'd be attending?

23rd Edition of International conference on Neonatology and Perinatology plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently technologists Consultants, Health Care Professionals, Researchers, speakers, Scientists etc.. Others who stay plunged in learning and practice of the science of Neonatology, Perinatology

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Neonatology
- Perinatology
- Neonatal Research
- Neonatal Neurology
- Neonatal Surgery
- Cardiovascular Problems In Neonates
- Neonatal Respiratory Disorders
- Gastrointestinal Problems In Neonates
- Neonatal Skin Related Disorders
- Neonatal Blood Disorders
- Neonatal-Perinatal Medicine
- Neonatal Syndromes
- Neonatal Infections
- Neonatal Genetic Disorders
- Congenital malformations & Birth Complications

About Destination London

London!! And there you have got one of the finest cities in the world. London is the capital and most populous city of England and the United Kingdom. Standing on the River Thames in the south east of the island of Great Britain, London has been a major settlement for two millennia. London is a leading global city in the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism and transportation. It is the world's largest financial centre and has the fifth or sixth largest metropolitan area GDP in the world. London is often regarded as a world cultural capital. It is the world's most-visited city as measured by international arrivals and has the world's largest city airport system measured by passenger traffic. It is the world's leading investment destination, hosting more international retailers and ultra-high-net-worth individuals in any other city. London's universities form the largest concentration of higher education institutes in Europe. Coming attractions of city, Starting from the Coca-Cola London Eye which is a major feature of London's skyline, with a behind the scenes tour of the harry potter films at Warner Bros Studio. Soak up some culture at London museums, visit the Queen at Buckingham Palace, or take the perfect picture with Big Ben followed by the close experience with the underwater creatures at Sea life London Aquarium and also the Science museum which is the London's interactive hub of Science and technology.

You can't fail to be excited by London's amazing attraction.
