29th Edition on

# Neurology and Neuroscience Week

## Theme:

Explore the Methodologies and New Technologies in Neurology and Neuroscience

EuroSciCon

NEURO WEEK 2018

2018

# Invitation

Euroscicon Conference invites all the participants from all over the world to attend the Euroscicon Neurology Conference entitled "29th Edition on Neurology and Neuroscience Week" which is going to be held during December 10-11, 2018 at Madrid, Spain.The main theme of our conference is "Explore the Methodologies And New Technologies in Neurology and Neuroscience." which covers wide range of critically important sessions.This conference deals with the current research developments in the field of Neurology and also about the new treatment methods which are forge by scientists to treat various diseases in easier way.

This conference acts as a best platform for attendees to learn about the recent trends in Neurology research and development.

Target audience include Neurology Scientists/Research Professors, Doctors, Educational institution ,Junior/Senior research fellows of Neurology Field, Health care professionals, Pharmaceutical companies, Members of different Neurology associations, Business delegates, Young researchers and students

EuroSciCon

# A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

# Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

**Our International Open Access Journals:**

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

**Our International Scientific Conferences:**

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

## Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ and researchers accessing the website, 29th Edition on Neurology and Neuroscience Week is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

## European Congress on 29th Edition on Neurology and Neuroscience Week Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

*Congregate with most senior executives*
*Nurture connexions*
*Agenda format which incorporates ample Q&A time*
*Partake in our revamped exhibitor expo sessions*
*Meet and listen to the relevant clients*

December 10-11, 2018
Madrid, Spain

## How's EuroSciCon different?

*Exercises your creative instincts with the live knowledge experience*
*It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries*
*Over 25 Million+ Visitors and 20000+ Unique Visitors per conference*
*World's leading industries and companies attend*
*Career guidance for early career researchers and students*
*Provides insights you need to take your research to the next level*
*A huge conclave of high tech and science priests*

2018

# Who'd be attending?

29th Edition on Neurology and Neuroscience plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Directors, Members of Associations and Societies, Neurology and Neuroscience Professionals, Residents, Fellowship holders, Neurology and Neuroscience Students, Industries Technicians, Business Entrepreneurs, Scientists, Professors, Academicians, Researchers, Experts and others who stay plunged in learning and practice of the Neurology and Neuroscience.

**About hosting organization**

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Knowledge through Scientific Gatherings and Networking. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

## Scientific Sessions:

- Neurology
- Neurology Disorders
- Neuroscience
- Neuropsychiatry
- Neuroimmunology
- Neuro Imaging
- Neuropharmacology
- Migraine
- Neuro Model Science
- Central Nervous System
- Neuro-oncology
- Neuromuscular Disorder
- Neurodegenerative Disorder
- Pediartic neurology
- Geriatric neurology
- Neurovirology
- Neuroinflammation
- Neurotoxicology
- Molecular Neuroscience
- Neurotoxin
- Gerosciences
- Alzheimer's Disease
- Neurosarcoidosis
- Clinical Neuroimmunology
- Vascular Neurology

2018

# About Destination Madrid, Spain

Madrid, Spain Central Capital, and the largest municipality in both the community of Madrid and Spain, and a city of elegant boulevards and expansive, manicured parks such as the Buen Retiro. The heart of old Hapsburg Madrid is the portico-lined Plaza Mayor, and nearby is the baroque Royal Palace and Armory, displaying historic Weaponry.

The city has almost 3.166 million inhabitants with a metropolitan area population of approximately 6.5 million. It's renowned for its rich repositories of European art, including the Prado Museum's works by Goya, Velazquez and other Spanish masters. Madrid lies on the River Manzanares in the centre of both the country and the Community of Madrid. As the capital city of Spain, seat of government, and residence of the Spanish monarch, Madrid is also the political, economic and cultural centre of the country. The current mayor is Manuela Carmena from Ahora Madrid

In the 1970s Madrid became the epicentre of La Movida, a burst of expression in the arts. Sunday flea market El Rastro is in the medieval La Latina neighbourhood, popular for nightlife, theatre and tapas bars. Central Square Puerta del Sol houses the statue of the Bear and Strawberry Tree from the city's coat of arms, while the Museo Arqueologico Nacional displays a vast collection of historic artifacts. Real Madrid, the dominant soccer club, plays at the Santiago Bernabeu Stadium.
