28th Euro Global Neurologists Meeting

Theme:

Action potential & synapses - Current challenges and innovations in the field of Neuroscience

EuroSciCon

Neurologists Congress

2019

Invitation

Welcome to Barcelona, the city of wonders, and experience the Current challenges and innovations in the field of Neuroscience as never before. EuroSciCon is proud to host the 28th Euro Global Neurologists Meeting on June 13 - 14, 2018 at Barcelona, Spain. This year's theme is JAction potential & synapses - Current challenges and innovations in the field of Neuroscience. Neurologists Congress 2019 will provide an unprecedented opportunity for Neurologists and also Neurology scientist to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Neurology scientists, Neurologists, research professors and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Neurologists Congress 2019 is the perfect venue not only to dive into your particular science and also to expand the scope of your knowledge. tracks are devoted to subjects such as the Neuroscience, Central Nervous System, Neurophysiology and Pediatric Neurology, Geriatric Neurology, Neurological Disorders, Neurodegenerative Disorders, Neuromuscular Disorders, Neuropharmacology, Neuropsychiatry, Neurooncology, Neuroimmunology and their Neuroimaging etc..,

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Neurologists forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

2019

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us:

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Neurology scientists and Neurologists accessing the website, Neurologists Congress 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Neurologists Congress 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives

Nurture connexions

Agenda format which incorporates ample Q&A time

Partake in our revamped exhibitor expo sessions

Meet and listen to the relevant clients

Unprecedented growth creating an unparalleled market place

June 13-14, 2019
Barcelona, Spain

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience

It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries

Over 25 Million+ Visitors and 20000+ Unique Visitors per conference

World's leading industries and companies attend

Career guidance for early career researchers and students

Provides insights you need to take your research to the next level

A huge conclave of high tech and science priests

EuroSciCon

Neurologists Congress

2019

Who'd be attending?

28th Euro Global Neurologists Meeting host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Neurology Scientists/Research Professors/ Neurologists , Physicists/Chemists, Junior/Senior research fellows of Neuroscience Neuroscience Students, Directors of chemical companies, Members of different Neuroscience associations.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Neurology
- Neuroscience
- Central Nervous System
- Neurophysiology
- Pediatric Neurology
- Geriatric Neurology
- Neurological Disorders
- Neurodegenerative Disorders
- Neuromuscular Disorders
- Neuropharmacology
- Neuropsychiatry
- Neurooncology
- Neuroimmunology
- Neuroimaging
- Neurovirology
- Neuroinflammation
- Neurotoxicology

About Destination Barcelona

Barcelona is a seaside city with boundless culture, fabled architecture and a world-class drinking and dining scene. Barcelona is Spain's second largest metropolis and one of its major travel destination. The city of Gaudi and Catalonia's capital is a cultural hub, a culinary heaven, and almost certainly the finest beach city in Europe.

Blessed with a privileged location between the vibrant shores of the Mediterranean Sea and the spectacular Collserola mountain range, the sprawling metropolis features 10 main districts, each of them with its own particular feel and priceless architectural wonders. The most rousing of all, Ciutat Vella (Old Town) is the beating heart of Barcelona. Equally charming, L'Eixample and Gracia balance the medieval allure of the historic center with their contemporary layout, wide avenues, and precious, awe-inspiring Modernist architecture. Each district features a cluster of interesting neighborhoods, making Barcelona an incredibly varied, dynamic city with numerous faces and personalities. From the narrow winding streets and quintessential cafes of Barri Gotic to the trendy vibe of El Raval, and from the charismatic Barcelona with its chiringuito-lined sandy beach to the cultural delights of Montjuic, the Catalan capital has it all. As cosmopolitan as the city itself, Barcelona's nightlife ranges from sassy late dinners under the stars to spectacular clubbing, making it everyone's favorite after-dark paradise.

Some of the top attractions:

- La Sagrada Familia
- Magic Fountain Light Show
- Picasso Museum.
- Las Ramblas street
- FC Barcelona stadium
- FC Barcelona museum
- Barrio Gotico
- Park Güell
- Modernist buildings
- Plaça d'Espanya
- National Museum
- Montjuic hill & Poble Espanyol
- A rc de Triomf
- Tibidabo hill
- Montserrat Mountains & Monastery
- Girona
- Torre Agbar
