Technology Innovations in Nursing Education and Better Health through Nursing Research

EuroSciCon

Nursing Education

2018

Invitation

Nursing Education 2018 is glad and proud to welcome to attend the 27th Edition of World Congress on Nursing Education & Research 2018 during April 23-25, 2018 Rome, Italy with a theme "Technology Innovations in Nursing Education and Better Health through Nursing Research". Rome is the capital of Italy. Its business district, called EUR, is the base of many companies involved in the oil industry, the pharmaceutical industry and financial services. Rome today is one of the most important tourist destinations of the world. EuroSciCon through its Open Access Initiative is committed to make genuine and reliable contributions to the scientific community. Nursing Education 2018 aims with total 17 tracks to discover advances in health practice, management and education in relation to health disparities as well as a breadth of other topics.

Nursing Education 2018 conference brings together individuals who have an interest in different fields of nursing like psychiatric, cancer, cardiac, critical care, adult & women health, legal, Pediatric and emergency nursing, midwifery, public health, healthcare and medicine from practice, research, administration, policy and education. It also gives opportunities to the nursing societies to showcase their knowledge and have face to face meetings with scientists increasing their business opportunities and also gives opportunity to know about their market competitors.The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. We assure our attendees will return with a confidence in lsharing and gaining knowledge from the experts to improve their nursing practice and equipped with certified procedures to work with.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CNE.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Nurse Practitioners and Educators accessing the website, Nursing Education 2018 is the most lucrative platform for Doctors, Registered Nurses, Health Care professionals, Professors, Researchers, Academicians and Industry professionals pursuing their work in the field. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Nursing Education 2018 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

About Destination Italy

Rome is the capital of Italy with 2,876,076 residents in 1,285 km2. It is also the country's most populated comune. It is the fourth-most populous city in the European Union by population within city limits. It is a sprawling, cosmopolitan city with nearly 3,000 years of globally influential art, architecture and culture on display. It is the center of the Metropolitan City of Rome. It ranked 13th-most-visited city in the world in 2016, 3rd most visited in the European Union, and the most popular tourist attraction in Italy. Its historic center is listed by UNESCO as a World Heritage Site. It is the seat of United Nations' Food and Agriculture Organization (FAO). The city hosts the headquarters of many international business companies, suchas Eni, Enel, TIM and national and international banks such as Unicredit and BNL. Its business district, called EUR, is the base of many companies involved in the oil industry, the pharmaceutical industry and financial services.Rome today is one of the most important tourist destinations of the world, due to the incalculable immensity of its archaeological and artistic treasures, as well as for the charm of its unique traditions.Rome is at the centre of the radial network of roads that roughly follow the lines of the ancient.
