The Role of Nursing in Leading and Advancing Health Practice

EuroSciCon

Nursing Education

2018

Invitation

Nursing Education 2018 is glad and proud to welcome to attend the 27th Edition of World Congress on Nursing Education and Research 2018 during April 16-18, 2018 Amsterdam, Netherlands with a theme “The Role of Nursing in Leading and Advancing Health Practice”. Amsterdam is the city of financial and business capital of the Netherlands, currently one of the best European cities in which to locate an international business. EuroSciCon through its Open Access Initiative is committed to make genuine and reliable contributions to the scientific community. Nursing Education 2018 aims with total 17 tracks to discover advances in health practice, management and education in relation to health disparities as well as a breadth of other topics.

Nursing Education 2018 conference brings together individuals who have an interest in different fields of nursing like psychiatric, cancer, cardiac, critical care, adult & women health, legal, Pediatric and emergency nursing, midwifery, public health, healthcare and medicine from practice, research, administration, policy and education. It also gives opportunities to the nursing societies to showcase their knowledge and have face to face meetings with scientists increasing their business opportunities and also gives opportunity to know about their market competitors.The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. We assure our attendees will return with a confidence in lsharing and gaining knowledge from the experts to improve their nursing practice and equipped with certified procedures to work with.

.

About Destination Netherlands

Amsterdam is the Netherlands' capital, The city is also the cultural capital of the Netherlands. It has a population of 851,373 within the city proper, 1,351,587 in the urban area, and 2,410,960 in the Amsterdam metropolitan area. With its universities, academies, and research institutes, along with more than 40 museums, numerous theaters, and entertainment venues, Amsterdam is the country's leading cultural center.It is known for its artistic heritage, elaborate canal system and narrow houses with gabled facades, legacies of the city's 17th-century Golden Age.The metropolitan area comprises much of the northern part of the Randstad, one of the larger conurbations in Europe, with a population of approximately 7 million.Amsterdam is considered an alpha world city by the Globalization and World Cities (GaWC) study group. The Amsterdam seaport to this day remains the second in the country, and the fifth largest seaport in Europe. Amsterdam is the financial and business capital of the Netherlands, currently one of the best European cities in which to locate an international business. Amsterdam is ranked fifth in this category and is only surpassed by London, Paris, Frankfurt and Barcelona. Many large corporations and banks have their headquarters in Amsterdam, including Akzo Nobel, Heineken International, ING Group, ABN AMRO, TomTom, Delta Lloyd Group, Booking.com and Philips.
