2019

Invitation

Nursing Education 2019 is glad and proud to welcome to attend the 28th Edition of World Congress on Nursing Education & Research 2019 during April 25-27, 2019 London, UK with a theme "Technology Innovations in Nursing Education and Better Health through Nursing Research". London is the capital and most populous city of England and the United Kingdom. It is a world cultural capital, the world's most-visited city leading investment destination, hosting more international retailers and ultra high-net-worth individuals than any other city. It also ranks first in the world in software, multimedia development and design, and shares first position in technology readiness. EuroSciCon through its Open Access Initiative is committed to make genuine and reliable contributions to the scientific community. Nursing Education 2019 aims with total 17 tracks to discover advances in health practice, management and education in relation to health disparities as well as a breadth of other topics.

Nursing Education 2019 conference brings together individuals who have an interest in different fields of nursing like psychiatric, cancer, cardiac, critical care, adult & women health, legal, Pediatric and emergency nursing, midwifery, public health, healthcare and medicine from practice, research, administration, policy and education. It also gives opportunities to the nursing societies to showcase their knowledge and have face to face meetings with scientists increasing their business opportunities and also gives opportunity to know about their market competitors.The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. We assure our attendees will return with a confidence in lsharing and gaining knowledge from the experts to improve their nursing practice and equipped with certified procedures to work with.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences are happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Nurse Practitioners and Educators accessing the website, Nursing Education 2019 is the most lucrative platform for Doctors, Registered Nurses, Health Care professionals, Professors, Researchers, Academicians and Industry professionals pursuing their work in the field. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Nursing Education 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

April 25-27, 2019
London, UK

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Nursing Education

2019

Who'd be attending?

Leading world Doctors, Registered Nurses, Health Care professionals, Professors, Research fellows, Leading Universities, Students, Nurses, Directors of association and societies. Nursing Education 2019 conference brings together individuals who have an interest in different fields of nursing like psychiatric, cancer, cardiac, critical care, adult & women health, legal, Pediatric and emergency nursing, midwifery, public health, healthcare and medicine from practice, research, administration, policy and education. About Destination UK

London is the capital and most populous city of England and the United Kingdom. Standing on the River Thames in the south east of Great Britain. It was founded by the Romans, who named it Londinium. It is one of the world's leading financial centres and has the fifth-or sixth-largest metropolitan area GDP in the world depending on measurement. London is a world cultural capital. It is the world's most-visited city as measured by international arrivals and has the world's largest city airport system measured by passenger traffic. It is the world's leading investment destination, hosting more international retailers and ultra high-net-worth individuals than any other city. London's 43 universities form the largest concentration of higher education institutes in Europe, and according to 2014 report it is placed first in the world university rankings. According to the report London also ranks first in the world in software, multimedia development and design, and shares first position in technology readiness.

Tourist Attraction:

London has a diverse range of peoples and cultures, and more than 300 languages are spoken. The Office for National Statistics estimated its mid-2014 population to be 8,538,689, the largest of any municipality in the European Union, and accounting for 12.5 percent of the UK population. It is a leading global city, with strengths in the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transport all contributing to its prominence. Other famous landmarks include Buckingham Palace, the London Eye, Piccadilly Circus, St Paul's Cathedral, Tower Bridge, Trafalgar Square, and The Shard. It is the home to numerous museums, galleries, libraries, sporting events and other cultural institutions, including the British Museum, National, Tate Modern, British Library and 40 West End theatres.
