Invitation

Welcome to Amsterdam, the City of Arts and Science, and experience the science of nursing illuminated as never before. EuroSciCon is proud to host the 9th Annual Congress on Nursing & Healthcare at December 03-04,2018 Amsterdam Netherlands. This year's theme is Exploring latest innovations in Nursing & Healthcare. Nursing & Healthcare 2018 will provide an unprecedented opportunity for Nurses of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Nurses, pharmacologists, and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome With a broad array of keynote presentations, panel discussions, workshops, and poster sessions,the Nurse Practitioners Conference is the perfect venue not only to dive into your particular nursing interests but also to expand the scope of your knowledge. Tracks are devoted to subjects such as the Nursing types, Oncology nursing, Travel nuse and so on.The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Nursing forum in person is your active participation.

About Destination Amsterdam

Amsterdam is the capital and most populous municipality of the Kingdom of the Netherlands. Its status as the capital is mandated by the Constitution of the Netherlands. As the commercial capital of the Netherlands and one of the top financial centres in Europe, Amsterdam is considered an alpha world city by the Globalization and World Cities (GaWC) study group. Amsterdam is one of the most popular tourist destinations in Europe, receiving more than 4.63 million international visitors annually; this is excluding the 16 million day trippers visiting the city every year. Amsterdam has a rich architectural history. The oldest building in Amsterdam is the Oude Kerk (Old Church), at the heart of the Wallen.

The municipal department for Research, Information and Statistics expects a new record population to be set in 2020. Amsterdam Neuroscience has a state-of-the-art stem cell facility and extensive research expertise combined with knowledge on various brain dysfunctional diseases. The considerable therapeutic potential of human multipotent mesenchymal stromal cells (MSC) has generated markedly increasing interest in a wide variety of biomedical disciplines in Netherland.
