EuroSciCon Conference on

Nursing & Midwifery

Theme:
Global Advancements in Nursing & Midwifery for Better Health

Invitation

Welcome to Paris, the City of Arts and Science, and experience the science of nursing illuminated as never before. EuroSciCon is proud to host the EuroSciCon Conference on Nursing & Midwifery at September 10-11, 2018 in Paris, France. This year's theme is Global Advancements in Nursing & Midwifery for Better Health. Nursing & Midwifery 2018 will provide an unprecedented opportunity for Nurses of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Nurses, pharmacologists, and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Nursing & Midwifery Conference is the perfect venue not only to dive into your particular nursing interests but also to expand the scope of your knowledge. Tracks are devoted to subjects such as the Nursing Education, Emergency Nursing, Military Nurses and so on.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Nursing forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.
