Occupational Health

2018

Invitation

Welcome to London, the Major Capital City standing beside the river Thames located on south-eastern island of " Britannia" formerly known as The Great Britain and also the Capital of ancient history-culture,commerce along with art, education and experience the topic upon Health issues on Occupational areas illuminated as never before. EuroSciCon is proud to host the 4th Edition of International Conference on Occupational Health and Safety, May 28-29, 2018 in London,UK. This year's theme focused on Impact of Globalization towards Occupational Health and Safety. Occupational health 2018 will provide an unprecedented opportunity for Occupational Health-care Professionals, Doctors of all stripes and colors to share their research and experience with colleagues along with discuss and debate the latest advances in the field. We invite Occupational Health Professionals, Doctors, Pharmacologists and Researchers in related disciplines to come together and inform each other in an environment conductive to education and interaction. Seasoned scientists, young researchers, mid-career and just starting out professionals are all welcome with a broad array of keynote presentations, panel discussions, workshops, and poster sessions. The Occupational Health 2018 Conference is the perfect venue not only to dive into your particular Occupational Health interests but also to expand the scope of your knowledge. The 12 tracks are being devoted to subjects like Occupational Health and Environmental Safety, Occupational Health and Industrial Hygiene, Occupational Health and Diseases, Occupational Health Ergonomics, Act of Occupational Safety and Health, Occupational Health and Quality Management, Occupational Health Rehabilitation, Occupational Public Health-care & Safety, Occupational Health and Toxicology, Epidemiology as well as Risk assessment,Climate Change and Occupational Health, Psychology, Physiotherapy, Mental Health, Modern Preventive Safety Measures and Regulatory area. The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we now need to convert the extensive program on paper to an active and vibrant Occupational Health forum in person is your active participation.

Best Regards,
Organizing Committee
