Invitation

Welcome to Singapore , the City of Arts and Science, and experience the science of Ophthalmology illuminated as never before. EuroSciCon is proud to host the 26th Edition of World Congress of Ophthalmologists, May 27-28, 2019 in Singapore. This year's theme is Visualizing the Achieves and Global Enhancements in Ophthalmology. Ophthalmologists 2019 will provide an unprecedented opportunity for Ophthalmologists of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Ophthalmologists, Opticians, Ocularists, Orthoptists, Ophthalmic medical practitioner, Optometrist Popular Researchers and Scholars in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Ophthalmologists Conference is the perfect venue not only to dive into your particular ophthalmology interests but also to expand the scope of your knowledge. The tracks are devoted to subjects such as the Eye Anatomy/ Comprehensive Eye Care, Types of Ophthalmology, Ophthalmic research and Drug delivery, Instruments of Ophthalmology, Ophthalmology for the General practitioner, Ophthalmology Disorders, Eye Conditions and Treatments, Ocular Genetics, Ophthalmology Surgery, Vision Rehabilitation, Ocular Pharmacology - Ocular Pharmacotherapeutics, Ocular Microbiology - Ocular Immunology, Ophthalmic Vision Science, Ophthalmologists Career & Training, Ophthalmology Practice, Ophthalmic Case Studies, LENS, Opthalmology Technologies, Ophthalmology Softwares Ophthalmology Practice .

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Ophthalmological forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 26000+ Ophthalmologists accessing the website, Ophthalmologists 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Ophthalmologists 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

About Destination Singapore

Singapore also known as the Lion City or the city of Little Red dot in South East Asia, this city is the only island city state of the world. This city is a global finance, commerce as well as transportation hub. It has always been ranked highly in the fields of life expectancy, personal safety, healthcare, education etc. Singapore has always given utmost priority to the fields of education and firmly believes in educating its population in the fields of science and technology, health and medicine, economics and finance, social science and humanities, business and politics etc. The main idea behind educating it masses is that educated masses will become educated citizens and will ultimately contribute towards the country's economy and can pave the path for a better and healthier tomorrow. And events, conferences and seminars play a vital role in educating the masses because it provides a global platform where people belonging to various technical, non-technical as well as political background assemble to share their work and research with others.
