Invitation

Welcome to Zurich, the City of Arts and Science, and experience the trends of Ophthalmology: Clinical & Surgical Practices illuminated as never before. EuroSciCon is proud to host the "24th International Conference on Ophthalmology: Clinical & Surgical Practices 2019" during September 09-10 2019 at Zurich, Switzerland. This year's theme is This year's Theme is Introducing New Invention And Research In The Field Of Ophthalmology 2019 will provide an unprecedented opportunity for Ophthalmologist of all stripes and colours to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Ophthalmologists, pharmacologists, and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome. With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the ophthalmology and Public Health Conference is the perfect venue not only to dive into your particular ophthalmology interests but also to expand the scope of your knowledge. 20 tracks are devoted to subjects such as the Advanced Research in ophthalmology and Public Health, Cataracts and Refractive Surgery, Cornea and External Disease, Glaucoma & Neuro-Ophthalmology, Ocular Oncology, Oculoplastics and Orbit Surgery, Ophthalmic Pathology, Uveitis and Immunology, Clinical Ophthalmology, Diagnostic Ophthalmology, Vitreo-Retinal Surgery, Oculoplastic surgeons Advantages & Applications, Genetic Engineering in Ophthalmology, Ocular inflammation specialists, Infection & Immunity, Infectious Diseases and cataract surgery etc. The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us:

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manuscripts in our Open Access Journals

EuroSciCon

With over 25000 analytical chemists accessing the website, Advanced Microbiology 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Ophthalmology Surgery 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives

Nurture connexions

Agenda format which incorporates ample Q&A time

Partake in our revamped exhibitor expo sessions

Meet and listen to the relevant clients

Unprecedented growth creating an unparalleled market place

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience

It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries

Over 25 Million+ Visitors and 20000+ Unique Visitors per conference

World's leading industries and companies attend

Career guidance for early career researchers and students

Provides insights you need to take your research to the next level

A huge conclave of high tech and science priests

EuroSciCon

2019

Who'd be attending?

24th International Conference on Ophthalmology: Clinical & Surgical Practices 2019 and Public Health plays host for the Multinational organizations, International organizations, Entrepreneurs, Scientists and Academicians across the globe. Prominently Ophthalmology Professors & Students, Investigative Microbiology and Immunology, Regulatory Professionals, Optometrist Professionals, Optician , Professionals & Experts of ophthalmology, Ophthalmic medical practitioner, Doctor of Optometry, Immunology, Health Care People, Doctors, Physicians, Medical Researches, Medical practitioner, Nurses, Clinical Research Organizations, Optician, osteopathic, Ophthalmic medical practitioner, Vision therapist, Research lab scientists, scholars, Laboratory Directors and Chemists, Forensic Scientists, Industrialists and others who stay plunged in learning and practice of the Medical Sciences & Public Health. Relevant Post-graduates, Graduates, Technicians, Students.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society, Institute of Biomedical Science (IBMS) and British Society. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Eye Muscle Surgery (Strabismus)
- Refractive Surgery
- Retinal Detachment
- Diabetic Eye Disease
- Ocular Injuries/ Eye Trauma
- Thyroid Eye Disease
- Uveitis
- Ocular Surface Diseases
- Ocular Inflammation
- Pediatric Ophthalmology Surgery
- Tiny Robots Revolutionizing Eye Surgery
- Ophthalmic Oncology
- Macular Degeneration
- Advanced Imaging Technologies/Ophthalmology Imaging
- Oculoplastic Surgeries
- Vitrectomy / Vitreo-Retinal Surgery
- Orbital Surgery
- Cataract Surgery
- Corrective Surgery
- Lid Repair Surgery

About Destination Zürich

Zürich, the largest city of Switzerland and capital of the canton of Zürich. Located in an Alpine setting at the northwestern end of Lake Zürich, this financial, cultural, and industrial center stretches out between two forested chains of hills, about 40 miles from the northern foothills of the Alps. Two rivers, the Limmat and Sihl, run through the city.

The official language of Zürich is German, but the main spoken language is the local variant of the Alemannic Swiss German dialect, Zürich German. Many museums and art galleries can be found in the city, including the Swiss National Museum and the Kunsthaus. Schauspielhaus Zürich is one of the most important theatres in the German-speaking world.

Zürich is a leading global city and among the world's largest financial centers despite having a relatively small population. The city is home to a large number of financial institutions and banking companies. Most of Switzerland's research and development centers are concentrated in Zürich and the low tax rates attract overseas companies to set up their headquarters there.

Zürich is one of the finest Swiss towns to visit and is perfectly arranged for sightseeing on foot. Most visiting places are Lake Zürich and Bürkliplatz, Kunsthaus Zürich (Museum of Fine Arts), Bahnhofstrasse and the Bahnhof, Fraumünster, Lindenhof, Limmatquai and the Rathaus (Town Hall) etc. more than EUR 2,8 billion are invested into

research every year. Around 35 percent of all scientists in Austria are situated in Vienna. almost 40 percent of Austrian research expenditure can be attributed to the city. The research share of Vienna as of now surpasses 3.5 percent of GDP, thus meeting the Europe 2020 target of the European Union long before the 2020 deadline. 30 percent of all Austrian research institutions are situated in Vienna. Research activity is not constrained to colleges and expansive research organizations.

Over the previous years, the quantity of organizations directing examination has ascended by more than 50 percent. Altogether, just about 1,500 research organizations are dynamic in Vienna,more than 50 percent of these are businesses.
