Otorhinolaryngology

Day 1, Agenda

General Session

08:00 AM — INTRODUCTION

09:00 AM — PLENARY

10:00 AM — KEYNOTE

Networking & Refreshments Break @ Foyer

	HALL 01	HALL 02	HALL 03
11:00 AM	Talks On: **General Otolaryngology**	Talks On: **Medical Otorhinolaryngology**	Talks On: **Surgical Principles in Implantation**
	Talks On: **Stem Cell and Otorhinolaryngology**	Talks On: **Immunotherapy and Otorhinolaryngology**	Talks On: **Challenges unique to the global Scenario**
	SESSION DISCUSSION	**SESSION DISCUSSION**	**SESSION DISCUSSION**
02:00 PM	Panel Over: **General Otology- advancements and future approaches**	Panel Over: **Genetic heterogeneity- Verification and validation of hearing aids**	Panel Over: **Cochlear Implant and Rehabilitation**
	Talks on: **Binaural Implantation & its benefits**	Talks on: **Endoscopic ontological surgery**	Talks on: **Nasal polyposis pathophysiology**
	Lunch Break @ Restaurant	***Lunch Break @ Restaurant***	***Lunch Break @ Restaurant***
04:00 PM	Talks On: **Skull Base Tumours**	Talks On: **Rhinology- Rhinitis and Rhinosinusitis - Types and Treatment**	Talks On: **Robotics in otolaryngology and head and neck surgery**
	Lectures on: **Endoscopic skull base surgery**	Lectures on: **Sinus and Nasal Disorders - Sinonasal tumours**	Lectures on: **General approach towards the Head-Neck cancers**
06:00 PM	Session On: **Genetical effects in otorhinolaryngology specific to Laryngology**	Session On: **Rhynoplasty and Facial rejuvenation**	Session On: **Facial Plastic and Reconstructive surgery**
	NETWORKING	**NETWORKING**	**NETWORKING**

Day 2, Agenda

General Session

08:00 AM — INTRODUCTION

09:00 AM — PLENARY

10:00 AM — KEYNOTE

Networking & Refreshments Break @ Foyer

	HALL 01	HALL 02	HALL 03
11:00 AM	**Talks On:** Laryngoscopy - Laryngopharyngeal reflux	**Talks On:** Cleft palate and lips speaking therapies - recent advancements	**Talks On:** Paediatric Otorhinolaryngology - current approaches
	Talks On: Speaking therapies and Voice therapies	**Talks On:** Deglutition disorders; rehabilitation and treatments	**Talks On:** Paediatric Disorders: Evaluation, Pathology and Innovations
	SESSION DISCUSSION	**SESSION DISCUSSION**	**SESSION DISCUSSION**
02:00 PM	**Panel Over:** Obstructive Sleep Apnea (OSA)- Current approaches	**Panel Over:** Pharmacotherapeutics used in practice	**Panel Over:** Surgical & Non-surgical interventions of OSA
	Workshop On: Cosmetology-Filling practices	**Workshop On:** Programming protocols & Mapping Technology in Otorhinolaryngology	**Workshop On:** Surgical instrument demonstration
	Lunch Break @ Restaurant	*Lunch Break @ Restaurant*	*Lunch Break @ Restaurant*
04:00 PM	**Talks On:** Head and Neck Surgery- robotic surgery	**Talks On:** Otology, Neurology and Skull based surgery	**Talks On:** Cholesteatoma, Mastoidectomy, Tympanoplasty
	Lectures on: Otorhinolaryngology and Oncology	**Lectures on:** Otorhinolaryngological manifestations	**Lectures on:** Bio materials in Implant Otorhinolaryngology
06:00 PM	**Session On:** ENT in primary care	**Session On:** Recent Advances & Future Directions in Otorhinolaryngology	**Session On:** Clinical Otorhinolaryngology
	NETWORKING	**NETWORKING**	**NETWORKING**

EuroSciCon

7th Edition of International Conference on Otorhinolaryngology

13-14 DECEMBER 2018 & MADRID, SPAIN

AGENDA

Biography

EuroSciCon

Title: The role of Diffusion-Weighted magnetic resonance imaging in diagnosis of residual and recurrent cholesteatoma

Mohamed Khaled
Mansoura university hospitals,
Egypt

Biography:

Mohamed Khaled Sami, Egyptian, M.B.B.Ch.: Faculty of Medicine, Mansoura University, Egypt, November, 2012. He has spent 3 years as ORL resident in Mansoura university hospitals. Master degree: In Otorhinolaryngology, Faculty of Medicine, MUH, Egypt, 2017. Now He is an Otorhinolaryngology assistant specialist in Mansoura international hospital. He is responsible for Otorhinolaryngology surgeon in outpatient clinics, Operation theatre, and inpatient wards and emergency.

Title: Consistency of Tragal Pointer and Tympanomastoid Suture as Surgical landmarks of Facial Nerve in Parotid Surgery: an Institutional Experience

Darwin Kaushal
AIIMS Jodhpur,
India

Biography:

Darwin Kaushal from Himachal Pradesh (India), obtained MBBS degree in 2007 from IGMC Shimla and completed post-graduation in Otorhinolaryngology from Topmost medical institute of India, AIIMS New Delhi. Further to refine his skills, he did his senior residency from Postgraduate Institute of Medical Research, Chandigarh. During this residency period, he was trained under brilliant professors. He is well experienced in all Head and Neck Surgeries, Paediatric Otorhinolaryngology cases and management of difficult airway cases.

Title: Intrauterine hearing screening - our early experience

Rohit Mehrotra
Mehrotra ENT Hospital,
India

Biography:

Rohit Mehrotra has been currently working in the field of Otology. He is running a Cochlear Implant programme in India under Dr. S.N.Mehrotra Charitable ENT Foundation. He developed interest in testing intrauterine Hearing after 22 weeks. He is also working on and intelligent Implant System. He divides his time into clinical practises, research & teaching. He has done more than 100 implants, runs a rehabilitation lecture with familiar of audiology & speech Therapy.

SPEAKER SLOTS AVAILABLE

Biography

EuroSciCon

Title: Localized Inferior Turbinate Fibrous Dysplasia – A case report and review of literature

Reyad K. Alalem
International Centre for Otorhinolaryngology, Misurata University

Biography:

Reyad Khalil alalem, he is the head of Otorhinolaryngology department in misrata cancer centre and head of department of surgical department in faculty of medicine in Misuarat University. He is a Member of research Committee in Misurata Cancer Centre, Member of scientific committee in Misurata Cancer Centre, Member of scientific committee in Faculty of Medicine, Misrata University. He is a trainer in Libyan board medial specialization and Trainer in Arab Board of Health Specialization.

Title: Our Experience with Spreader Graft in Septorhinoplasty by Open Approach

Surender Kumar
Bhagat Phool Singh Govt. Medical College, Haryana, India

Biography:

Surender Kumar has his expertise in the field of otolaryngology and Head and Neck Surgery, presently working as assistant professor at Bhagat Phool Singh Government Medical College, Sonepat, and Haryana India. He has a keen interest in rhinoplasties and head and neck surgeries. His work on rhinoplasties is not only improving the aesthetic and functional outcome but also gives a good self-esteem and self-confidence to the patients, hence improving their quality of life. He is very interested in academics and participates in paper presentations in various state, national, international conferences.

Title: Effects of Drilling In Mastoid Cavity over Hearing in the Contralateral Ear

Saumyata Neeraj
Sub-District Hospital, Goa, India

Biography:

Saumyata Neeraj has her expertise in the field of Otorhinolaryngology, presently working as a Consultant at Sub-District Hospital, Ponda, and Goa, India. She has an interest in the field of otology especially middle ear surgeries and believes that this field gives immense satisfaction by giving people the opportunity to hear the sweet voices in the world again.

SPEAKER SLOTS AVAILABLE

Biography

EuroSciCon

Title: Innovative reconstruction techniques in partial laryngectomy defect

Mihir Mohan T
VPS Lakeshore Hospital,
India

Biography:

Mihir Mohan has been working in Head & Neck Oncology past 4 years. He is passionate about minimal access surgery and involvement of technology in surgery. The Centre has modified and developed local flaps in the reconstruction to such effect that it is currently spear heading the shift from micro-vascular surgery to a more economical and stable version of local flaps as is important in a country like India where economics plays a strong role in disease management. The Centre as a whole has immense interest in developing innovative techniques for voice preservation and published articles in journals of international repute (Head & Neck).

Title: Endoscopic modified Denker's procedure: a novel approach to benign sinonasal tumors

Deepak Verma
BPS Government Medical College for Women, Haryana,
India

Biography:

Deepak Verma is presently working in Department of Otorhinolaryngology, BPS Government Medical College for Women, Khanpur Kalan, and Haryana, India. He has keen interest in Head & neck surgery, paediatric airway and endoscopic sinus surgery. He is very much interested in academic and presented papers in various international and national conferences. He is university topper (gold medallist in Post graduate examination and awarded 2nd prize in paper presentation in state conference.

Title: Multiple imputation and Clinico-serological models to predict Human Papilloma Virus (HPV) status in oropharyngeal carcinoma: an alternative when tissue is unavailable

Jianjun Ren
West China Hospital, West China Medical School, Sichuan University, Sichuan,
China

Biography:

Jianjun is currently doing the researches of HPV related to head and neck cancer patients' outcomes; the correlation between laryngo-pharyngeal reflux and rhino-sinusitis; Artificial intelligence in the field of ENT medicine, etc., by using molecular biology, biochemistry, epidemiology, pharmacogenomics and computer science, etc.

SPEAKER SLOTS AVAILABLE

Biography

EuroSciCon

Title: Frequency of complications in aural foreign bodies

Faisal Bashir
Mohtarma Benazir Bhutto Shaheed Medical College, Mirpur Azad, Jammu & Kashmir

Biography:

Faisal Bashir did his MBBS from Ayub Medical College Abbottabad Pakistan and did his post-graduation DLO & FCPS in ENT Head & Neck Surgery from CPSP Pakistan in 2011. He started his career in teaching setup and in short time he is well renowned consultant in Pakistan & Azad Jammu & Kashmir. He is working as Associate Professor, head of ENT Head & Neck Surgery Department Divisional Headquarters Teaching Hospital affiliated with MBBS Medical College Mirpur AJK Pakistan. He is known for evolution in ENT in Azad Jammu & Kashmir as he started there FESS, Head & Neck Surgeries and Otological procedures.

Title: Immunomodulatory Effect of Bifidobacterium Breve on Experimental Allergic Rhinitis In BALB/C Mice

XU Yang
Affiliation Sichuan University, China

Biography:

XU Yang has his expertise in evaluation and passion in improving the health and wellbeing. He has received his M.D. and is pursuing his Ph.D. He has established animal model both in allergic rhinitis and laryngo-pharyngeal reflux. At present he is researching the single nucleotide polymorphism among many diseases in E.N.T.

Title: Pepsin in Saliva as a Diagnostic Biomarker in Laryngopharyngeal Reflux a Meta-Analysis

WANG Jing
Sichuan University, P. R. China

Biography:

Wang Jing is currently working toward her MD from West China Medical School, Sichuan University.

SPEAKER SLOTS AVAILABLE

Biography

EuroSciCon

Title: The association between HPV And Prognosis of Carcinoma of unknown Primary in The Head and Neck Region: A Systematic Review and Meta-Analysis

Wen Yang
West China Hospital, West China Medical School, Sichuan University, Sichuan, China

Biography:

Wen Yang, MD, Department of Otorhinolaryngology, West China Hospital, West China Medical School, Sichuan University. He has a research interest on common diseases in Department of ENT, especially the aetiology, diagnosis and treatment of children OSA and head and neck cancer. He is taking part in a multicentre prospective clinical study about curative effect of CSOM.

Title: Auditory Evoked Potentials: A New Proposal Of Auditory Assessment Of Auditory Cortical Function In Children And Babies

Ana C F Frizzo
Paulista State University, Sp, Brazil

Biography:

Ana Frizzo has her expertise in evaluation of auditory central processing. She holds a Bachelor's Degree in Speech-Language Pathology from the University of Franca (1998), SP, Brazil, a Master's and PhD in Neurology from the Faculty of Medicine of Ribeirão Preto-USP-SP-Brazil (2004 and 2010). She is currently Assistant Professor of the Paulista State University "Julio de Mesquita Filho", SP, and Brazil. Permanent Professor of the Graduate Program in Speech-Language Pathology and Audiology, State University of São Paulo "Julio de Mesquita Filho" - Marília Campus, SP, Brazil.

Title: Outcome Of Supracricoid Laryngectomy In Moderately Advanced Laryngeal Tumors

Anwar Abd El-Atty Ibrahim
Menoufia University, Egypt

Biography:

Anwar Abd El-Attay has 8-year experience in the field of Otorhinolaryngology, Head and Neck surgery. He is an assistant lecturer of ORL for 4 years in Menoufia University in Egypt. He is interested in Laryngeal tumors and surgeries.

SPEAKER SLOTS AVAILABLE

Biography

EuroSciCon

Title: A Parapharyngeal Tumor With Coincidentally Diagnosed Contralateral Thyroid Tumor: A Rare Entity And Diagnostic Dilemma

Deepak Verma
BPS Government Medical College for Women, Haryana, India

Biography:

Deepak Verma is presently working in Department of Otorhinolaryngology, BPS Government Medical College for Women, Khanpur Kalan, and Haryana, India. He has keen interest in Head & neck surgery, pediatric airway and endoscopic sinus surgery. He is very much interested in academic and presented papers in various international and national conferences. He is university topper (gold medalist in Post graduate examination and awarded 2nd prize in paper presentation in state conference.

Title: A Case Report Of Minimal Access Approach To A Giant Parapharyngeal Space

Quang V. Le
Vietnam National Cancer Hospital

Biography:

Quang has completed his M.D at the age of 24 years from Hanoi Medical University, Vietnam and postdoctoral studies from Hanoi Medical University. He is the vice-director of Vietnam National Cancer Hospital, a chief of department of Head and Neck Surgery, Vietnam National Cancer Hospital. He has published more than 30 papers in Vietnamese journals and many papers in international conferences.

Title: Post-Operative Outcomes In Navigation Guided Endoscopic Transnasal Transphenoidal Hypophysectomy In A Tertiary Care Hospital

Sandipta Mitra
Institute Of Post Graduate Medical Education & research, Kolkata, India

Biography:

Sandipta Mitra is pursuing her residency in the Department of Otorhinolaryngology and Head Neck Surgery at Institute of Post Graduate Medical Education and Research, Kolkata, India. Her area of interest include anterior skull base surgery and paediatric otorhinolaryngology.

SPEAKER SLOTS AVAILABLE

Biography
