

EuroSciCon

17th International Conference on

Pathology and Cancer Epidemiology

October 08-09, 2018
Edinburgh, Scotland

Theme:

Pathology: Current trends, Advancements, and Emerging Challenges.

EuroSciCon

Pathology

2018

Invitation

The Euroscicon is proud to host the 17thInternational Conference on Pathology and Cancer Epidemiology October 08-09, 2018 Edinburgh, Scotland. The theme of this year's conference is " Pathology: Current trends, Advancements, and Emerging Challenges".

Pathology 2018 will serve as a global platform for the discussion of new trends in clinical and medical research; the detection of new drug side effects their and potential uses; a way of sharing lessons learned in disease development and prognosis.

We take this opportunity to invite delegates from Universities and Institutes all over the world in related disciplines, professionals and experts in the field of healthcare,and clinical and medical researchers all over the globe.

With a broad array of keynote presentations, oral presentations and poster sessions Pathology 2018 will be a perfect place to showcase your research experiences and broaden the scope of your knowledge beyond your particular field of interest. Again, we cordially invite all the participants to help make this event a grand success.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

Pathology 2018 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

- *One- on -one interaction with eminent scientists and experts in the clinical and medical research field.*
- *Networking with peers or sponsors for continuing research.*
- *Learning new insights about the advances in medicine and related fields.*
- *Getting recognized in a global platform and discussing research ideas or topics*
- *with professors, scientists and scholars*

October 08-09, 2018
Edinburgh, Scotland

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Pathology

2018

Who'd be attending?

Deans, Vice Deans & Vice Presidents of Medical Institutions and Hospital. Directors and Chairs of Medical Councils and funding institutions. Professors and experts from academia who are in the field of healthcare medicine, pharmacy & Clinical research. Students and research fellows from research institutes, healthcare medicine, pharmacy & research centers. Physicians, Business Delegates, Directors, Managers, Business Intelligence Experts, Departmental Managers.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Cytopathology And Histopathology
- Molecular Pathology
- Breast Pathology
- Surgical Pathology
- Clinical Pathology
- Cancer Cytopathology
- Liver Pathology And Gastrointestinal Pathology
- Gynaecological Pathology, Reproductive Pathology & Uropathology
- Hematopathology
- Dermatopathology
- Soft Tissue And Bone Pathology
- Oral And Maxillofacial Pathology
- Pulmonary Pathology
- Forensic Pathology & Chemical Pathology
- Microbial Pathology & Infectious Disease Pathology
- Head And Neck Pathology
- Neuropathology
- Nephropathology
- Immunopathology
- Diagnostics Pathology
- Paediatric And Perinatal Pathology
- Ophthalmic Pathology
- Psychopathology
- Renal Pathology And Urinary Track Pathology
- Experimental Pathology
- Autopsy Pathology
- Anatomic Pathology
- Digital Pathology And E-Pathology
- Speech-Language Pathology
- Plant Pathology
- Cancer Epidemiology
- Other Allied Fields

2018

About Destination Edinburgh

Edinburgh is the capital city of Scotland and one of its 32 council areas. It is located in Lothian on the Firth of Forth's southern shore.

Recognised as the capital of Scotland since at least the 15th century, Edinburgh is home to the Scottish Parliament and the seat of the monarchy in Scotland. Historically part of Midlothian, the city has long been a centre of education, particularly in the fields of medicine, Scots law, literature, the sciences and engineering. It is the largest financial centre in the UK after London. The city's historical and cultural attractions have made it the United Kingdom's second most popular tourist destination after London, attracting over one million overseas visitors each year.

Edinburgh is Scotland's second most populous city and the seventh most populous in the United Kingdom. The 2016 official population estimates are 464,990 for the city of Edinburgh 507,170 for the local authority area and 1,339,380 for the city region as of 2014.
