Theme:

Priorities for Pediatric Care & Emergency Medicine

EuroSciCon

Pediatric Critical Care

2018

Invitation

Welcome to Warsaw, the City of Arts and Science, and Experience the science of Pediatric Critical Care and Emergency Medicine illuminated as never before. Euroscicon is proud to host the International Conference on Pediatric Critical Care and Emergency Medicine, October 18-19, 2018 in Warsaw, Poland. This year's Conference theme is "Priorities for Pediatric Care & Emergency Medicine". Pediatric Critical Care 2018 will provide an unprecedented opportunity for Pediatricians and Emergency Medicine Practitioners from around the world irrespective of stripes and colors to share their research with the attendees and discuss the latest advances in the field. We invite Pediatricians, Researchers, Scientists, Business Professionals, and Students in related disciplines to come together and inform each other in an environment conductive to education and interaction. Seasoned Scientists, Young Researchers, Mid-Career Professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops and poster sessions, the Pediatric Critical Care 2018 is the perfect venue not only to dive into your particular Pediatric Critical Care and Emergency Conference but also to expand the scope of your knowledge in the beautiful city. 15 tracks are devoted to subjects such as Emergency Pediatric Care (EPC), Pediatric Critical Care, Procedures in Pediatric Care, Use of Emergency Medicines in Pediatrics, Pre & Post-Operative Critical Care in pediatric , Medical Critical Care in Pediatric, Infectious Disease in Pediatric, Pediatric Dermatology, Pediatric Cardiology , Pediatric Neurology and Psychology, ENT Emergencies in Children, Diabetic and Endocrine Emergencies, Evidence based antibiotic use, Toxicology and Environmental Emergencies, Total Parental Nutrition in Pediatrics.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant pediatric critical care forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

EuroSciCon

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Pediatricians accessing the website, Pediatric critical care and emergency medicine 2018 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Pediatric Critical Care 2018 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

Pediatric Critical Care

2018

About Destination Warsaw

Warsaw is the capital and largest city of Poland. Warsaw the 9th most-populous capital city in the European Union. Once described as Paris of the East, Warsaw was believed to be one of the most beautiful cities in the world. Warsaw is one of Europe's most dynamic metropolitan cities. In 2012 the Economist Intelligence Unit ranked Warsaw as the 32nd most livable city in the world. In 2017 the city came 4th in the "Business-friendly" category and 8th in "Human capital and life style". It was also ranked as one of the most livable cities in Central and Eastern Europe. Warsaw is an alpha global city, a major international tourist destination and a significant cultural, political and economic hub.

Other main architectural attractions include the Castle Square with the Royal Castle and the iconic King Sigismund's Column, St. John's Cathedral, Market Square, palaces, churches and mansions all displaying a richness of color and architectural detail. Warsaw provides many examples of architecture from the Gothic, Renaissance, Baroque, neoclassical and modern periods, and around a quarter of the city are filled with royal parks and lush gardens. Furthermore, the city is positioning itself as a cultural center with thriving art and club scenes and renowned restaurants.
