PLAN A TRIP TO Berlin:

Destination of Peditric Gastroenterology 2018

Berlin, the capital and the largest city of Germany as well as one of its 16 constituent states. Due to its location in the European Plain, Berlin is influenced by a temperate seasonal climate. Located in northeastern Germany on the banks of the rivers Spree and Havel.

Berlin is a city of culture, politics, media and science. Its economy is based on high-tech firms and the service sector, encompassing a diverse range of creative industries, research facilities, media corporations and convention venues.

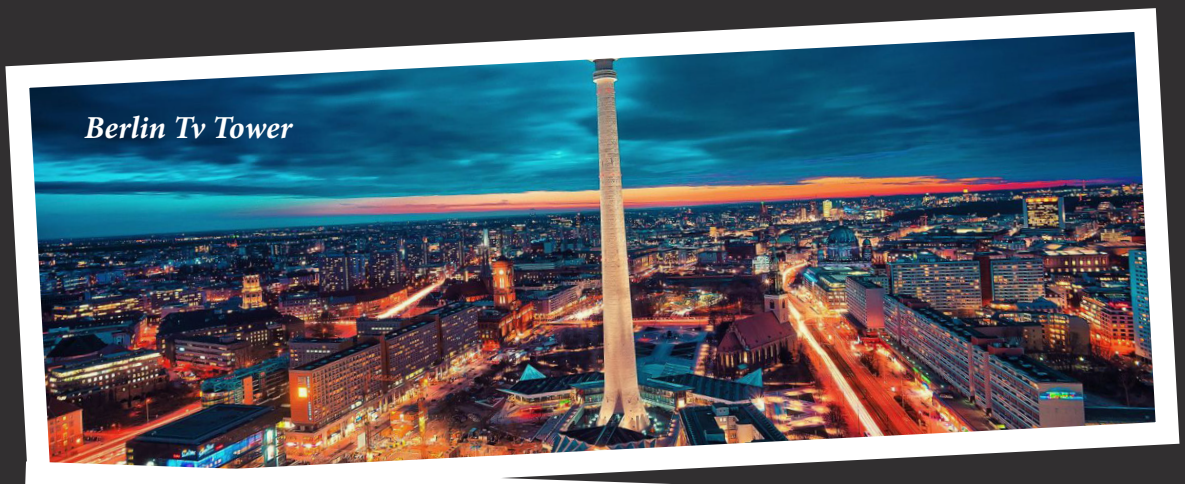

Tourism figures have more than doubled within the last ten years and Berlin has become the third most-visited city destination in Europe. The largest visitor groups are from Germany, the United Kingdom, the Netherlands, Italy, Spain and the United States.

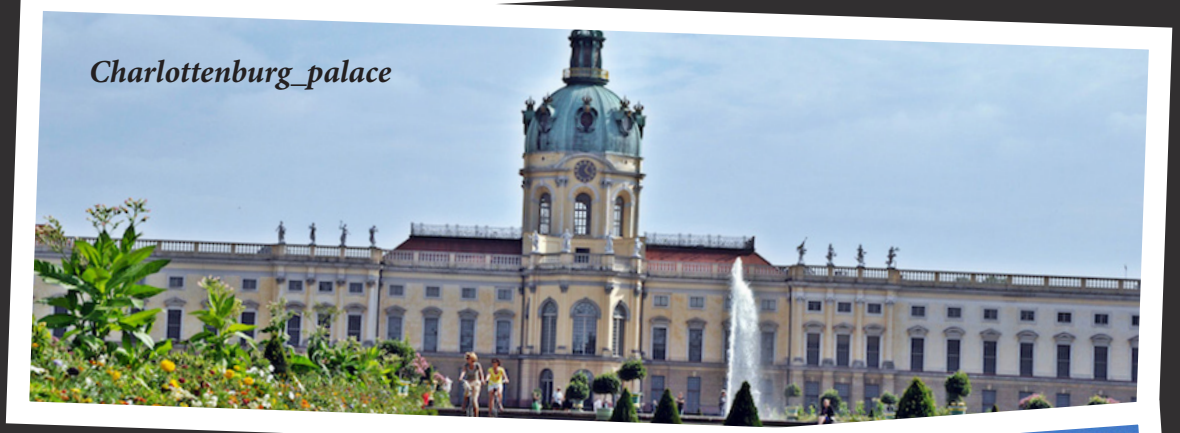

The Messe Berlin (also known as Berlin ExpoCenter City) is the main convention organizing company in the city. Its main exhibition area covers more than 160,000 square metres (1,722,226 square feet). Several large-scale trade fairs like the consumer electronics trade fair IFA, the ILA Berlin Air Show, the Berlin Fashion Week (including the Premium Berlin and the Panorama Berlin),[125] the Green Week, the Fruit Logistica, the transport fair InnoTrans, the tourism fair ITB and the adult entertainment and erotic fair Venus are held annually in the city, attracting a significant number of business visitors.

Berlin serves as a continental hub for air and rail traffic and has a highly complex public transportation network. Modern Berlin is home to world-renowned universities, orchestras, museums, and entertainment venues, and is host to many sporting events. Berlin is home to 138 museums and more than 400 art galleries.There are several museums of world art and culture namely the Museum of Asian Art, the Ethnological Museum, the Museum of European Cultures, as well as the Allied Museum. The city is also active in theatre and stage activities. The Berliner Ensemble is famous for performing the works of Bertolt Brecht.
