Pediatric Gastroenterology

2018

Invitation

Welcome to Berlin, the City of freedom, a cultural hub, a culinary heaven and the finest city of Europe to experience the science of pediatric gastroenterology. EuroSciCon is proud to host the 13th Edition of International Conference on Pediatric Gastroenterology, October 22-23, 2018 in Berlin, Spain. The theme of the conference is Innovations and Advances in Gastroenterology. Pediatric Gastroenterology 2018 will give an exceptional chance to gastroenterologists of all hues to share, talk and discuss about the most recent advances in the field.

We invite hepatologists, internal medicine specialists, pathologists, surgeons, endoscopy specialists, family practitioners, oncologists, paediatricians, allied health, nursing staff and scientists in related disciplines to meet up and interact. With a wide range of keynote presentations, workshops, panel discussions and poster sessions, the Pediatric Gastroenterology Conference is an ideal place to plunge into your interests and insights. 14 tracks are dedicated to topics like Pediatric Gastrointestinal Problems, Gastrointestinal manifestations in autoimmune diseases, Genetics in Gastroenterology, hepatology, pancreatic disorders, endoscopy, radiology and therapeutics etc.

The Organizing Committee has done its best to set up an event that we think will take into consideration an imaginative interaction of thoughts. All we require now is to change over the broad program on paper to a dynamic and energetic gastroenterological discussion in person with your cooperation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ toxicologists and pharmacologists accessing the website, Euro Toxicology 2018 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Pediatric Gastroenterology 2018 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

October 22-23, 2018
Berlin, Germany

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

2018

Who'd be attending?

In various addresses, scientific sessions and introductions of the 13th Edition of International Conference on Pediatric Gastroenterology, specialists will be able to exhibit the most recent scientific information and cutting-edge theories and advancements in Gastroenterology. The conference offers a one kind of a platform to meet and interact with international audience. Try not to miss this chance to meet gastroenterologists, hepatologists, endoscopy specialists, family practitioners, internal medicine specialists, surgeons, oncologists, pathologists, paediatricians, allied health, nursing staff, researchers and scientists from around the world.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Pediatric Gastrointestinal Problems
- Gastrointestinal manifestations in autoimmune diseases
- Genetics in Gastroenterology
- Pediatric Hepatology
- Pediatric Pancreatic disorders
- Pediatric Gastrointestinal Endoscopy
- Pediatric Gastrointestinal Radiology
- GI disorders in Pregnancy
- Gastrointestinal Oncology and Leading-Edge Therapies
- Pediatric General Surgery
- Microbiome of GIT
- Therapeutic management of GI complaints
- Nutrition in Gastrointestinal infections
- Trends to shape the future of Gastroenterology

About Destination Berlin

Berlin, Germany's capital, dates to the 13th century. Reminders of the city's turbulent 20th-century history include its Holocaust memorial and the Berlin Wall's graffitied remains. Divided during the Cold War, its 18th-century Brandenburg Gate has become a symbol of reunification. The city's also known for its art scene and modern landmarks like the gold-colored, swoop-roofed Berliner Philharmonie, built in 1963.
