About Destination Oslo

As one of Europe's quickest developing urban areas this decade, Oslo is humming with vitality from new neighbourhoods and forefront nourishment, to form and workmanship scenes. Enrapturing points of interest like the Opera House, the Astrup Fearnley Museum and Barcode are changing the substance of the city, and Oslo keeps up its reviving closeness to nature that a couple of different capitals can coordinate.

Settled between the Oslofjord and forested slopes, Oslo was named European Green Capital 2019 for its commitment to moderating common territories and diminishing contamination. The conservative downtown area is simple and safe to investigate by walking or by bicycle, and the productive open transport framework makes the whole city available without an auto. Oslo is additionally during the time spent being affirmed as a Sustainable Destination, a seal of endorsement given to goals that work methodically to lessen the negative effect of tourism.

Oslo's eatery scene is differing and continually developing
