2018

Invitation

Welcome to Valencia, the City of Arts and Science. EuroSciCon is proud to host the International conference on World Physiotherapists & Physicians, October 29-30 in Valencia, Spain. This year's theme is Addressing Real-Time Challenges in Physical Therapy. Physiotherapists 2018 will provide an unprecedented opportunity for Physiotherapists & Fitness professionals of all stripes and colors to share their research with colleagues to discuss and debate the latest advances in the field. We cordially invite physiotherapists, physicians, sports and fitness medicine professionals and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Physiotherapists 2018 is the perfect venue not only to dive into your particular physiotherapy interests but also to expand the scope of your knowledge. 15 tracks are devoted to subjects such as the Cardiovascular and Pulmonary Physiotherapy, Clinical Electrophysiology, Geriatric Rehabilitation, Integumentary Physical Therapy, Neurological Physical Therapy, Orthopedic Physical Therapy, Pediatric Physical Therapy, Musculoskeletal Physiotherapy, Exercise and Sports Physical Therapy, Aquatic Therapy, Veterinary Physical Therapy, Manual Physiotherapy, Post-Surgical Rehabilitation, Experimental Physiotherapy and Physiotherapy And Mental Health/ Psychophysiotherapy.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant physiotherapist forum in per person is your active participation.
