September 26-27, 2019
Barcelona, Spain

Theme:

New development and scientific expansion in Plastic, Reconstructive and Aesthetic Surgery

EuroSciCon

Plastic Surgery Conference

2019

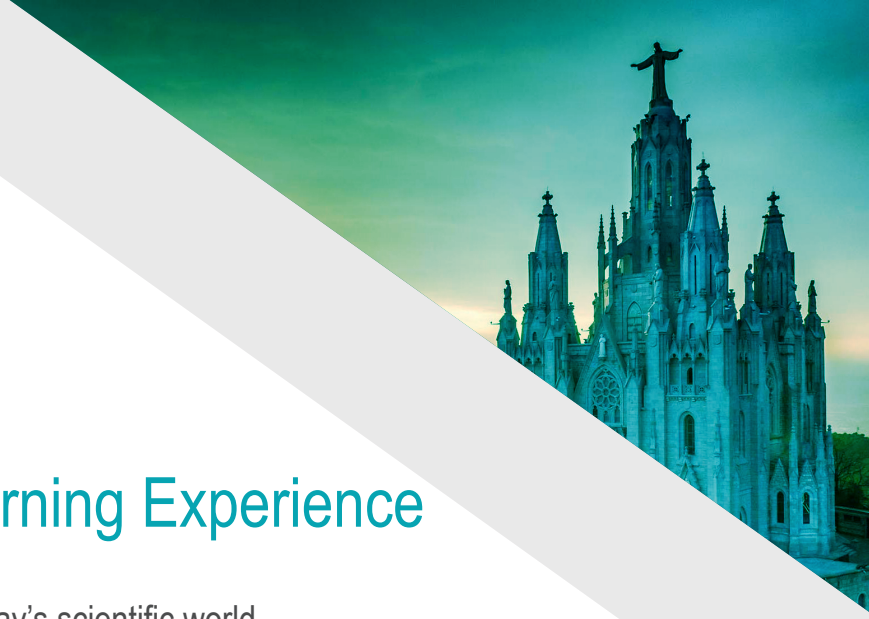

Invitation

Welcome to “Most beautiful and artistic city”, Barcelona, the capital of Catalonia, Spain and It is sixth most populous city in the European Union and experience the surgical and technological advancement of plastic surgery illuminated as never before. EuroSciCon is proud to host the 4th Annual Congress on Plastic, Aesthetic and Reconstructive Surgery, September 26-27, 2019 in Barcelona, Spain. This year’s theme is “Advancements in New development and scientific expansion in Plastic, Reconstructive and Aesthetic Surgery”. Plastic Surgery Conference 2019 will provide an unprecedented opportunity for Plastic surgeons of all stripes and colours to share their research with colleagues, and discuss and debate the latest advances in the field. We invite clinicians, pharmacologists, and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the 4th Annual Congress on Plastic, Aesthetic and Reconstructive Surgery 2019 is the perfect venue not only to dive into your particular plastic surgery interests but also to expand the scope of your knowledge.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant forum in person by your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Plastic Surgery Conference

2019

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Plastic, Aesthetic and Reconstructive experts accessing the website, Annual Congress on Plastic, Aesthetic and Reconstructive Surgery 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Plastic, Aesthetic and Reconstructive Surgery 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trend enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

September 26-27, 2019
Barcelona, Spain

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Plastic Surgery Conference

2019

Who'd be attending?

4th Annual Congress on Plastic, Aesthetic And Reconstructive Surgery 2019 plays host for the Multinational organizations, entrepreneurs across the globe, Researchers, Professors, Scientist pathologist, Aestheticians, Laboratory Director, Plastic experts and academicians and others who stay plunged in learning and practice of the science of Plastic Surgery.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 17 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Reconstructive Surgery
- Aesthetic surgery
- Burn Surgery
- Hand Surgery
- Pediatric Plastic surgery
- Endoscopic surgery
- Brachioplasty
- Rhinoplasty
- Mammoplasty
- Rhytidectomy
- Abdominoplasty
- Botox injection
- Blepharoplasty
- Facial implants
- Skin rejuvenation
- Genioplasty
- Ear Surgery
- Body Contouring
- Maxillofacial surgery
- Microsurgery

About Destination Barcelona

Barcelona is the most alluring, wonderful and beautiful city of Spain. It is the second largest municipality of Spain and capital city of Catalonia, Spain. Around 4.8 million people lives in Province of Barcelona, out of which 1.6 million lives in Barcelona City. It spread in across 170 km2 area and city cover across 101 km2 area by itself. It is surrounded by the rivers Llobregat and Besos from southwest and north respectively. In west, it is bordered by Serra de Collserola mountain range. Among all European Union countries, Barcelona is crowned at 6th position in the list of most populous city.

Barcelona was founded as a Roman city and became capital of County of Barcelona. It got merged with the Kingdom of Aragon because of the marriage of Ferdinand II of Aragon and Isabella I of Castile. It remained as the capital city for economic and administration, continued to be an important city for Kingdom of Aragon. It was made as a capital city of Principality of Catalonia by the Crown of Aragon. After Spanish civil war, it became another parliamentary city in Spain other than Madrid. It hosted 1992 Summer Olympics and known for other International Sports and conferences, it hosted.

Barcelona is the economic city of Spain as it is center for tourism, trade, economic and cultural fair. It poses significant impact on commerce, science, education, media, entertainment, fashion and arts which makes it recognized by global leaders as a market to invest more. It is 35th in the world with GDP of €177 billion and on 4th position in European Union as data of 2008. It was ranked 3rd in Europe and leading as city brand.

Barcelona is having mixed culture of Spain and Catalonia which makes it diverse in culture. As city of Catalonia, it is having great influence of Catalan culture. It is beautiful, innovative liveliest and artistic city on the shore of Mediterranean sea. It is located on the northwest coast of Iberian Peninsula, which faces Mediterranean Sea. It shares borders with Santa Coloma de Gramenet, Mediterranean Sea, El Prat de Llobregat and Montcada i Reixac in direction north, east, south and west respectively.

Barcelona can be reached through sea to Port of Barcelona as it is one of the busiest European passengers port. It has one international airport which handles around 40 million travelers per year named as Barcelona El-Prat Airport. It is connected with France and rest of the Europe with motorway network and rail network.
