Frankfurt, Germany

4th Annual Congress on

Plastic, Aesthetic and Reconstructive Surgery

Theme:

New development and scientific expansion in Plastic, Reconstructive and Aesthetic Surgery

EuroSciCon

Plastic Surgery Conference

2019

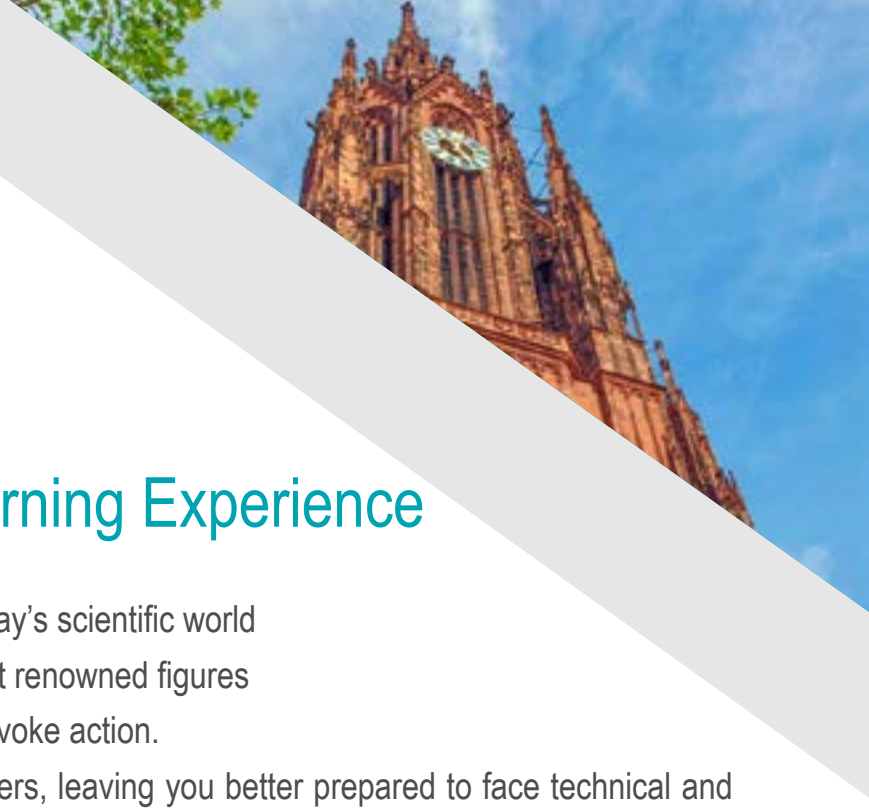

Invitation

Welcome to “Most beautiful and artistic city”, Frankfurt, Germany and It is sixth most populous city in the European Union and experience the surgical and technological advancement of plastic surgery illuminated as never before. EuroSciCon is proud to host the 4th Annual Congress on Plastic, Aesthetic and Reconstructive Surgery, November 11-12, 2019 in Frankfurt, Germany. This year’s theme is “Advancements in New development and scientific expansion in Plastic, Reconstructive and Aesthetic Surgery”. Plastic Surgery Conference 2019 will provide an unprecedented opportunity for Plastic surgeons of all stripes and colours to share their research with colleagues, and discuss and debate the latest advances in the field. We invite clinicians, pharmacologists, and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the 4th Annual Congress on Plastic, Aesthetic and Reconstructive Surgery 2019 is the perfect venue not only to dive into your particular plastic surgery interests but also to expand the scope of your knowledge.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant forum in person by your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

2019

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Plastic, Aesthetic and Reconstructive experts accessing the website, Annual Congress on Plastic, Aesthetic and Reconstructive Surgery 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Plastic, Aesthetic and Reconstructive Surgery 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trend enabling our patrons to

- *Congregate with most senior executives*
- *Nurture connexions*
- *Agenda format which incorporates ample Q&A time*
- *Partake in our revamped exhibitor expo sessions*
- *Meet and listen to the relevant clients*
- *Unprecedented growth creating an unparalleled market place*

November 11-12, 2019
Frankfurt, Germany

How's EuroSciCon different?

- *Exercises your creative instincts with the live knowledge experience*
- *It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries*
- *Over 25 Million+ Visitors and 20000+ Unique Visitors per conference*
- *World's leading industries and companies attend*
- *Career guidance for early career researchers and students*
- *Provides insights you need to take your research to the next level*
- *A huge conclave of high tech and science priests*

Plastic Surgery Conference

2019

Who'd be attending?

4th Annual Congress on Plastic, Aesthetic And Reconstructive Surgery 2019 plays host for the Multinational organizations, entrepreneurs across the globe, Researchers, Professors, Scientist pathologist, Aestheticians, Laboratory Director, Plastic experts and academicians and others who stay plunged in learning and practice of the science of Plastic Surgery.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 17 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Reconstructive Surgery
- Aesthetic surgery
- Burn Surgery
- Hand Surgery
- Pediatric Plastic surgery
- Endoscopic surgery
- Brachioplasty
- Rhinoplasty
- Mammoplasty
- Rhytidectomy
- Abdominoplasty
- Botox injection
- Blepharoplasty
- Facial implants
- Skin rejuvenation
- Genioplasty
- Ear Surgery
- Body Contouring
- Maxillofacial surgery
- Microsurgery

About Destination Frankfurt, Germany

Frankfurt, a central German city on the river Core, is a major financial hub that's home to the European Central Bank.

Frankfurt is located on both sides of the Core River, south-east of the Taunus mountain range. The southern part of the city contains the Frankfurt City Forest, Germany's leading city forest. The city area is 248.31 km2 (95.87 sq mi) and spreads over 23.4 km (14.54 mi) east to west and 23.3 km (14.48 mi) north to south. The city centre is north of the River Main in Altstadt district (the historical centre) and the contiguous Innenstadt district. The geographical centre is in Bockenheim district immediate Frankfurt West station.

Frankfurt is the centre of the thickly populated Frankfurt Rhine-Main Metropolitan Region with a population of 5.5 million. Other important cities in the region are Wiesbaden (capital of Hessen), Mainz (capital of Rhineland-Palatinate), Darmstadt, Offenbach am Main, Hanau, Aschaffenburg, Bad Homburg vor der Höhe, Rüsselsheim, Wetzlar and Marburg.

The city is divided into 46 city districts (Stadtteile), which are in turn divided into 121 city townships (Stadtbezirke) and 448 electoral districts (Wahlbezirke). The 46 city districts combine into 16 area districts ,which each have a district board and chairperson.

The city can be accessed from everywhere the world via Frankfurt Airport (Flughafen Frankfurt am Main) located 12 km (7 mi) southwest of the city center. The airport has four runways and aids 265 non-stop destinations. Run by transport company Fraport it grades among the world's busiest airports by passenger traffic and is the busiest airport by cargo traffic in Europe.

Frankfurt is one of the world's utmost important financial centres and Germany's financial capital, followed by Munich. Frankfurt was ranked 8th at the International Financial Centers Development Index (2013), 8th at the Worldwide Centres of Commerce Index (2008), 9th at the Universal Financial Centres Index (September 2013),[56] 10th at the Global Power City Index (2011), 11th at the Worldwide City Competitiveness Index (2012), 12th at the Innovation Cities Index (2011),[57] 14th at the World City Survey (2011) and 23rd at the International Cities Index (2012).[58]
