

EuroSciCon

2nd International Conference & Expo on

Recycling

May 16-17, 2019

Stockholm, Sweden

Theme:

Recycle..!! The possibilities are endless..

EuroSciCon

Recycling

2019

Invitation

Welcome to Stockholm

On behalf of Recycling 2019 Organizing Committee, we are pleased to invite all Ecologists, Professors, Researchers, scientists, Business Giants, CEOs, COOs, Directors, Vice Presidents, Co-directors, Managing Directors, Industry Safety Officers, Environmental & Plant Scientists, Post Doctorate Fellows, Vendors of Consumer Products/ Managers, Students from the Environmental sciences and its allied areas.

The conference proceedings include symposiums and workshops, keynote speeches, plenary talks, poster sessions and panel discussion on latest research developments in the field of Recycling and Environmental sciences.

EuroSciCon is the longest running independent life science events company with a predominantly academic client base. Our multi professional and multi-specialty approach creates a unique experience that cannot be found with a specialist society or commercially.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Environmentalists and Ecologists accessing the website, Recycling 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Recycling 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Recycling

2019

Who'd be attending?

2nd International Conference & Expo on Recycling gives chance to meet Ecologists, Social workers, Academicians, Industrialists and Members of Associations and Societies, NGOs from Environmental sciences and academic field respectively and share ideas, knowledge and different views on various areas of Recycling and Environmental studies.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Waste Management Techniques
- E-Waste And Recycling And Management
- Solid Waste Management
- Waste Water Recycling
- Plastic Recycling
- Paper Recycling
- Industrial Waste Recycling
- Chemical Waste Recycling
- Food Waste Recycling
- Agriculture Waste Recycling
- Rubber Recycling
- Circulatory Economy
- Recycling Market
- Thermal Waste Recovery
- Recycling Basics
- Construction Waste Management
- Textile Recycling
- Glass Recycling
- Home Waste Management
- Metal Recycling
- Renewable Energy
- Recycling: Eco-Balance
- Effect Of 3Rs On Climate Change
- Recycling: Pollution Control

About Destination Stockholm

Stockholm is the capital and biggest city of Sweden. Stockholm is situated at the intersection of Lake Malar (Mälaren) and Salt Bay (Saltsjon), an arm of the Baltic Sea, inverse the Gulf of Finland. The city is rose upon various islands and additionally the territory of Uppland and Sodermanland. By ideals of its area, Stockholm is viewed as a standout amongst the most wonderful capital urban communities on the planet. Stockholm grew quickly in the mid-seventeenth century as Sweden briefly turned into an awesome power. The focal government divisions were then set there, and the city turned into an autonomous managerial unit. The old city dividers were torn down, and new areas grew up north and south of the “city between the extensions”. In the eighteenth century, fires obliterated huge parts of the city, and stone structures were built to supplant the old wooden houses. Stockholm had by then turn into the social focal point of Sweden; a considerable lot of its scholarly social orders and logical foundations date from this time. It is an essential worldwide city, and the principle place for corporate home office in the Nordic district. The city is home to a portion of Europe’s best positioning universities like the Stockholm School of Economics, Karolinska Institute and Royal Institute of Technology (KTH). The Stockholm Palace is the official living arrangement and primary work environment of the Swedish ruler, while the Drottningholm Palace, a World Heritage Site on the edges of Stockholm, fills in as private habitation.
