Title: Sleep disorders in Epilepsy

Anna Voitiuk
MD, Department of Neurology and Child Neurology, Ukraine

Biography

My name is Anna Voitiuk. I was born on the 25th of July, 1990. My native city is Kharkiv, Ukraine. My parents are engineers. But since childhood I dreamed of becoming a doctor. I graduated Kharkiv National Medical University in 2013 with major in general medicine. From 2013 till 2015 I studied as a postgraduate student in neurology at Kharkiv Medical Academy of Post-Graduate Education. During the residency the applicant has shown interest and enthusiasm in treating patients with disorder of cerebral circulation, epilepsy and spinal diseases. After passing the exams successfully I got a diploma of a doctor-specialist. I studied at the EAN Spring School and got a certificate about finishing in 2017 year. So now I'm higly qualified neurologist. I'm an active participant in case report discussions and always ready to suggest original solutions. Despite being busy with my medical duties I manage to find time to improve my professional skills and qualification. I take an active part in scientific conferences and has scientific publication. I hope that my participation in this conference will be extremely useful for my practical and scientific work.
