About Destination Amsterdam

Amsterdam is the capital and most populous municipality of the Kingdom of the Netherlands. Its status as the capital is mandated by the Constitution of the Netherlands. As the commercial capital of the Netherlands and one of the top financial centres in Europe, Amsterdam is considered an alpha world city by the Globalization and World Cities (GaWC) study group. Amsterdam is one of the most popular tourist destinations in Europe, receiving more than 4.63 million international visitors annually, this is excluding the 16 million day trippers visiting the city every year. Amsterdam has a rich architectural history. The oldest building in Amsterdam is the Oude Kerk (Old Church), at the heart of the Wallen.

The municipal department for Research, Information and Statistics expects a new record population to be set in 2020. Amsterdam Neuroscience has a state-of-the-art stem cell facility and extensive research expertise combined with knowledge on various brain dysfunctional diseases. The considerable therapeutic potential of human multipotent mesenchymal stromal cells (MSC) has generated markedly increasing interest in a wide variety of biomedical disciplines in Netherland.
