2019

Invitation

Welcome to Amsterdam, Netherland, the city of freedom & free your mind to explore current trends & future inovation in the field of Vision Science & Eye Surgery. EuroSciCon is proud to host the European conference on Vision Science & Eye Surgery, March 21-22, 2019 in Amsterdam, Netherland. This year's theme is Towel the current trends & future innovations in the field of Vision Science & Eye Surgery. Vision & Eye 2019 will provide an unprecedented opportunity for ophthalmologist of all stripes and colors to share their research with colleagues, and discuss and debate the latest advancement in the field. We invite ophthalmologist, neurologist, pharmacologists, optometrist, orthoptist and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome. With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Vision Science & Eye Surgery Congress is the perfect venue not only to dive into your particular vision science interests but also to expand the scope of your knowledge. 24 tracks are devoted to subjects such as Vision Science, Common & Complex Eye Diseases, Vision Rehabilitation, Ophthalmic Technologies, Advanced Ophthalmological Care, Emerging Trends in Ophthalmic Drug Delivery, Retina and Retinal diseases, Ophthalmologic Surgery, Refractive Surgery, Robotic Surgery, Eye Transplant, Ocular Trauma, Ocular Microbiology and Ocular Immunology, Ocular Oncology and Ocular Pharmacology, Advancements in Ocular Therapeutics, Ophthalmology diagnostic tools, Optometry, Acupuncture, Therapeutic Ophthalmology, Neuro-Ophthalmology, Glaucoma, Ophthalmology Case Study, Ophthalmology for the General practitioner, Ophthalmology Business/ Practice. The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant vision science & eye surgery forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ ophthalmologist, neurologist, pharmacologists, optometrist, and orthoptist accessing the website, Vision & Eye 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Vision & Eye 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place
