

EuroSciCon

10th Edition of International Conference on

Water: Pollution, Treatment & Research

March 14-15, 2019
London, UK

Theme:
Water Sustainability: Case Studies & Practical Applications

EuroSciCon

Water Pollution

2019

Invitation

EuroSciCon is organizing meeting on Water: Pollution, Treatment & Research 2019 is scheduled from March 14-15 at London, UK. EuroSciSon is the UK based independent life science Events Company with predominantly business and academic client base.

The 2019 meeting promises to be a dynamic and informative event and going to explore the issues, innovations and integrated approaches towards water research and waste water management, the speakers are a multidisciplinary gathering of globally perceived specialists that speak on ***Water Sustainability: Case Studies & Practical Applications.***

This is 2-day Meeting and you can participate in a number of educational formats including General Sessions, Poster Presentations, and Workshops/Symposium, Meet-the-Professor Sessions, Oral Presentations and other interactive and informal exchanges.

Topics will cover the latest advances in the Science behind Water, Environmental Health, Water Pollution, Adsorption Technology, Groundwater Pollution, Waste Water Technologies, Industrial water treatment, Urbanization , Water Quality and many more.
We trust you will discover the Meeting beneficial, enlightening and agreeable. We want to thank all EuroSciCon Members and participants whose commitments and cooperation have been basic to the accomplishment of the association!!

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Water Pollution

2019

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Environmental Scientists, Geologists, Hydrologists and Sewage Treatment Technologists accessing the website, EuroSciCon Water Pollution 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Water Pollution 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connections
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

March 14-15, 2019
London, UK

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Water Pollution

2019

Who'd be attending?

EuroSciCon Conference on Water: Pollution, Treatment & Research plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Environmental Scientists, Geologists, Hydrologists and Waste Water Treatment Technologists and others who stay plunged in learning and practice in the environmental science and water research.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Water, Environment and Health
- Water and Climate
- Urbanization and Water Quality
- Environmental Hydraulics and Hydrology
- Water-related Disaster Risk Reduction
- Water and Energy
- Industrial Wastewater Management
- Water: Sequel on Agriculture and Soil
- Microplastics As Emerging Contaminants
- Water Pollution : Ethics And Regulations
- Interaction with Polyfluoroalkyl Substances
- Water Adsorption
- Water Microbiology
- Aquatic Ecosystem
- Water Resources
- Water-related Disaster Risk Reduction
- Environmental Sustainability and Development
- Water Pollution: Ethics and Regulation

Water Pollution

2019

About Destination London

London is a main worldwide city. It is the world's biggest budgetary focus close by New York and is home to the central command of more than 100 of Europe's 500 biggest organizations. It has the universal guests of any city on the world.

The World Nuclear Association Symposium will be held at Central Hall Westminster. A considerable lot of London's best attractions lie just a short separation from here, for example, Trafalgar Square, the National Gallery, Piccadilly Circus, Leicester Square, Buckingham Palace, and St. James' Park. The area is likewise inside London's "Theatreland" and near a significant number of the capital's best bars, clubs, restaurants, and shops.

London is unfathomably all around associated, with five global air terminals and the rapid Eurostar rail interface. More than 50 nations are inside a three-hour flight time and 310 worldwide destinations have guide connects to London.

EuroSciCon

Tentative Program

Day 1

07:00–08:00 (All Attendees)
Continental Breakfast & Registration
08:00–08:30 (All Attendees)
Introductions & Welcome

08:30~09:00 (All Attendees)
Opening Ceremony
09:00~09:40 Plenary Talk–1
09:40~10:20 Plenary Talk–2
Refreshment and Networking Break
10:40~12:30 General Session
(Oral Presentation)
12:30~13:30 Gala Lunch
13:30~15:30 Keynote Talk 1, 2, 3
Refreshment and Networking Break
15:30~17:00 General Session
(Oral Presentation)
17:00~18:00 General Session
(Oral Presentation)
18:00~18:30 Networking Session

Day 2

09:00~09:40 Plenary Talk 3
09:40~10:20 Plenary Talk 4
Refreshment and Networking Break
10:20~12:30 Keynote 4, 5, 6
Lunch Break
12:30~13:30 General Session
(Oral Presentation)
13:30~15:30 Refreshment and Networking Break
15:30~16:30 General Session
(Oral Presentation)
16:30~18:00 Poster Session
18:00~18:30 Networking Session & Closing Ceremony

Past Conference Report

6th Edition of International Conference on Water Pollution & Sewage Management 2018 was organized during July 26-27, 2018 at Rome, Italy With the support and contribution of the Organizing Committee Members, we successfully hosted the event at the conference venue.

Firstly we must thank you for trusting us and participating at Water Pollution 2018, a global platform to discuss various important aspects of Environment and human impacts.

There are infinite reasons to extend our gratitude to you for making the Water Pollution 2018 outstanding conference. We couldn't have done it without your continuous support and believe towards our organization, which mutually made to achieve new height in the field of Environmental Pollution and it's effect.

The conference was marked by the attendance of young and brilliant researchers, business delegates and talented student communities representing more than 30 countries, who have driven this event into the path of success.

The conference was organized around the theme "Be a part of Solution, Not the Pollution!!". The event implanted a firm relation of upcoming strategies in the field of Environmental Science with the scientific community. The conceptual and applicable knowledge shared, will also foster organizational collaborations to nurture scientific accelerations. **Dragos Brinzea**, Ambitum Cevre Consult, Romania was the moderator of Water Pollution 2018. We are much thankful to Moh Sholichin for his great support and help.

The conference proceedings were carried out through various Scientific-sessions and plenary lectures, of which the following Speakers were highlighted as Keynote speakers **Linda Grinberga**, Latvia University of Agriculture, Latvia; **Eduard Rott**, University of Stuttgart, Germany; **Xiao Zhang**, Chinese Academy of Meteorological Science, China; The conference witnessed an amalgamation of peerless speakers, Keynote speakers, well-known researchers and delegates who enlightened the crowd with their enviable research knowledge and on various alluring topics related to the field of Environmental Health, Water Pollution Treatment and Control through their fabulous presentations at the podium of Water Pollution 2018.

EuroSciCon offers its heartfelt appreciation to all the Organizing Committee Members, Chairs and Co-chairs, Speakers, Students, Media Partners and Editorial Board Members of Journal of Environmental Research and Journal of Water Pollution and Control who supported the conference in every aspect for the awe-inspiring exhibition at the venue.
