CURRICULUM VITAE

PERSONAL INFORMATION

Name	:	Sadaf Haiyat
Father's Name	:	Dr Md. Shamim Alam
Date of Birth	:	03/01/1987
Gender	:	Female
Marital Status	:	Married
Certificate No.	:	MCI/13-48192 (MBBS) 77489 dated 10th November 2016(DMC) MD PATHOLOGY
Passport No.	:	M0506178
Permanent Address	:	Road No. 2b, House No. 3, Millat Colony, Near Quasimi Middle School, Civil Lines, Bari Road, Gaya, Bihar,823001.
Correspondence Address	:	Flat no. A-201, A block, 2nd floor, Doctor quarter, MPMMCC , Sundar Bagiya Naria Gate Near BHU Varanasi, Uttar Pradesh 221005
Mobile No.	:	+91-8439762123
Email	:	sadafhayat143@gmail.com
Skype id	:	sadafhayat143@gmail.com

ACADEMIC QUALIFICATIONS

EXAMINATION	YEAR	BOARD/UNIVERSITY	RE
MD (Pathology)	2016	Aligarh Muslim University (A.M.U)	Aggregate- 66 %
MBBS	2011	Aligarh Muslim University (A.M.U)	Aggregate-60%
SSSC (10+2)	2005	Aligarh Muslim University (A.M.U)	Aggregate-75.5% **Distinction in Chemistry and**
High School (10)	2003	NAZARETH ACADEMY CBSE Gaya(Bihar)	Merit in Science-99%

M.D. THESIS (INDEPENDENT RESEARCH WORK)

Role of Syndecan-1(CD-138) As A Diagnostic Biomarker For Plasma Cells In patients of Abnormal Uterine Bleeding

BOOK PUBLISHED

Role of Syndecan-1as a Diagnostic Biomarker in patients of Abnormal Uterine Bleeding

WORK EXPERIENCE: TOTAL 7 years experience, Post MD: 4.5 years experience.

J.N.MCH, **A.M.U, Aligarh**	**25/06/2013** **To** **24/06/2016**	**Junior Resident**	**3 years In PG experience**	1. 3 years experience in teaching Undergraduates students, both MBBS and BDS 2. Taking all Practical classes and Demonstrations. 3. I also actively participated in Postgraduate seminars and Journal clubs. ○ **3 YEARS WORK EXPERIENCE IN** ○ **HISTOPATHOLOGY** ○ **CYTOPATHLOGY** ○ **IMMUNOHISTOCHEMISTRY** ○ Bone marrow biopsy reporting ○ Clinical Pathology ○ Chemical Pathology, Immunology and ○ Serology ○ Blood Bank
J.N.M.C.H A.M.U, **Aligarh**	**17/04/2017** **to** **16/04/2020**	**Senior Resident /Demonstrator**	**3 years Post P.G experience**	• **3 YEARS EXPERIENCE IN** • **HISTOPATHOLOGY** • **CYTOPATHOLOGY** • **IMMUNOHISTOCHEMISTRY** • **FROZEN SECTION** • HAEMATOLOGY • HEMATO-ONCOPATHOLOGY • CHEMICAL PATHOLOGY • CLINICAL PATHOLOGY • BLOOD BANK/TRANSFUSION MEDICINE
Popular Multi-speciality Hospital, Varanasi, UP.	**1/08/2020** **To** **15/02/2021**	**Laboratory Director**	**6 month**	I worked in a 250 bedded NABH accredited hospital **I got the NABL ACCREDITION FOR HEMATOLOGY, BIOCHEMISTRY AND CLINICAL PATHOLOGY at Niraamaya diagnostics (a unit of sml) at popular hospital in december2020) under my supervision as laboratory head.** **INDEPENDENTLY REPORTING ALL HISTOPATHOLOGY, CYTOPATHOLOGY** Biochemistry clinical pathology body fluids and immunology reports looked after the quality control and quality indicators of laboratory especially taking care that all the tests are run as per SOP AND **ISO 150189 :2012 guidelines.**

Dr.Lal Path Nrl Reference Lab,New Delhi.	**05/05/2021 To 19/06/2021**	**Consultant Histo-pathologist**	**2.5 month**	Takes part in administration, management and training of technicians and staff as per training calendar. Independently reporting **Histopathology** **Cytopathology** **Immunohistochemistry** **Onychopathology as per CAP Guidelines** **Digital Pathology experience And reporting** **Participation in EQAS of CAP and NABL.**
Tata Memorial Cancer Centre/ MPMMCC, VARANASI UttarPradesh	**16/08/2021** To **Till present**	**Assistant Professor in Pathology and consultant histopathologist/ oncopathologist**	**1 plus years**	Independently reporting • **HISTOPATHOLOGY ONCOPATHOLOGY** • **CYTOPATHOLOGY** • **AND CELL BLOCKS** • **FROZEN SECTION** • **MOLECULAR PATHOLOGY** • **Real type PCR** • **CYTOGENETICS** • **CLINICAL PATHOLOGY** • **Synoptic reporting** **Supervised Audit for NABL in histopathology** **STARTED MOLECULAR PATHOLOGY LAB (POLYMERASE CHAIN REACTION(EGFR IN LUNG CANCER AND CYOGENETICS-HER2 NEU, EWSRI) b** Participation **in multidisciplinary meeting** Training of Senior residents and technical staff. Teaching of residents and scientific assistant. Participating in Research and administrative work

TOTAL NO. OF AWARDS OBTAINED *:*

1. "**Young Clinician in Pathology Award**" at 2nd Annual Medical Summit and ***Venus International Medical Awards at Park Hyatt, Chennai on 6th April 2019.***

2. **World Championship 2018 in Hematology** to the research article titled ***'A challenging case of Hemophilia A with first presentation at the age of 16 as monoarticular hemophiliac arthropathy: A diagnostic enigma by the Journal for Hematology***.

3. **1st Prize** in **Oral Paper Presentation** on The Topic– ***A Cytological and Histomorphological Case Study Of an Unusual Occurrence of Gonad blastoma with Seminoma And Yolk SacTumor In An Anatomically Normal Male Child*** at UP CYTOCON 2015, 3rd Annual Conference Of Indian Academy Of Cytopathologists held on 13th September2015

4. **Best Poster Award** entitled– Cryptococcal Meningitis Presenting As Multiple Fractures in an Immunocompetent Individual-An Unusual Presentation at NEUROCON 2015, XX1 Annual Conference of Neuroscience Society (UP&UK) held at J.N.M.C, A.M.U., Aligarh on 14th February2015

5. **3rd Price in Poster Presentation** on the topic titled "Primary lymphoma of bone : An oncological paradox in International symposium on Oncologic pathology, held at Department of Pathology, J.N.M.C, A.M.U., Aligarh on 25th January 2018.

SUMMARY OF ACADEMIC ACHIEVMENTS

Total No. Papers Published -25, Under Review:1

-International journal : 19
- National Journal : 06
-Accepted and under review : 01

- **Papers/ Posters presented : 30**

-International Conferences : 11

-National Conferences : 19

- **Conferences/CME/workshops attended : 44**

-International Conferences : 10

-National Conferences : 34

MEMBERSHIP OF ACADEMIC ORGANIZATION

Associate Member of Association of Molecular Pathology (AMP)

PAPERS AND POSTERS PRESENTED/CO-AUTHORED

A. INTERNATIONAL

1. Cytopathological Spectrum Of Lymph Node Lesions In HIV Patients: A Case Series Study Held At 19thAIPNA-ICP International CME 2014, PGIMER, Chandigarh on 6th-8thFebruary,2014.
2. Malt Lymphoma: Parotid Swelling In Child At 13thAnnual International Conference RGCON 2014 Held On 15thAnd 16thFebruary2014 in New Delhi.

3. Diagnosis of Hodgkin Lymphoma on FNAC and its Clinic-Histological Correlation At13th Annual International Conference RGCON 2014 In New Delhi On 15th And 16th February2014.
4. Morphological Spectrum Of Endometrial Pathology In Women Presenting With Abnormal Uterine Bleeding At International Symposium And Slide Session On Women's (Breast And Gyn) Pathology Held At JN Medical College, A.M.U, Aligarh, 6th And 7th February, 2015
5. Breast Hamartoma In A Clinically Suspicious Breast Malignancy At International Symposium And Slide Session On Women's (Breast And Gyn) Pathology Held At JN Medical College, A.M.U, AligarhOn6th And7th February, 2015.
6. Role Of Chemotherapeutic Agents In The Primary Prevention Of Ovarian Cancer, At International Symposium And Slide Session On Women's (Breast And Gyn) Pathology Held At Jn Medical College, A.M.U, Aligarh, 6th and7th February, 2015.
7. Role Of Bethesda System In Cervical Cancer Screening :A 5Year Study At 3rd Indo-Global Summit& Expo On Healthcare, OMICS International Conference
   On Health Care On October5th-7th, 2015, New Delhi.
8. Recurrent Retiform Haemangioendothelioma of the Sacral Region At International CME In Pathology, Histopathology And Cytopathology, Goa On4th-6th February2016.
9. Oral Teratoma In A New Born Male: A Rare Case Presentation At International CME In Pathology, Histopathology And Cytopathology, Goa On 4th-6th February2016.
10. Primary lymphoma of bone: An oncological paradox at International Symposium on Oncologic Pathology, J.N.M.C, A.M.U, Aligarh , 2018. ***(Awarded 3rd prize)***
11. Efficacy of Narrow Band Imaging in detecting lower Gastrointestinal lesions and its Histological Correlation held at International Symposium on Oncologic Pathology, J.N.M.C, A.M.U, Aligarh , 2018.

B. **NATIONAL**

1. Role of FNAC In The Diagnosis Of Multicentric Primary Breast Lymphoma:A Case Report at IIIRD Annual Conference of The Delhi Chapter Of Indian Academy Of Cytologists held in AIIMS New Delhi On September13th2014.
2. Primary Squamous Cell Carcinoma Of Pleura Misdiagnosed As Tuberculous Abscess: A Case Report, UPCYTOCON 2014, Rohilkand Medical College, Bareilly On 14th September, 2014.

3. Isolated Hydatid Cyst Of The Breast Clinically Mimicking As Galactocoele: A Case Report At UPPATHCON 2014 Held At RML Institute Of Medical Sciences, Luckmow On 11th-13thOctober, 2014.
4. Cryptococcal Meningitis Presenting As Multiple Fractures in an Immunocompetent Individual: An Unusual Presentation At Neurocon2015, XX1 Annual Conference Of Neuroscience Society (UP&UK) held at J.N.M.C, A.M.U. Aligarh On 14thFebruary 2014. *(Awarded Best Poster Award)*
5. Clinico-Pathological Spectrum Of Opportunistic Mycotic Infections With Unusual Presentation: A Case Series Study At The XXIII Annual Conference Of IAPM,UP Chapter(UPPATHCON2015),held At GSVM,KanpurOn10th And 11th Of October, 2015.
6. A Study on Concordance of Clinicopathological Analysis and Estrogen Receptor Expression in Breast Carcinomas At The XXIII Annual Conference Of IAPM, Up Chapter (UPPATHCON2015), held At GSVM, Kanpur On10th And 11 thOf October, 2015.
7. Varied Cytological Presentation Of Breast Lesions And Their Histopathological Correlation, UPCYTOCON, 3rd Annual Conference Of Indian Academy Of Cytopathologists Held At Tirthankara Medical University, Moradabad On 13th September 2015.
8. FNAC of Chondroid Syringoma of Shoulder With Focal Malignant Change: An Unusual Case Report, Up Cytocon 2015, 3rd Annual Conference Of Indian Academy Of Cytopathologists Held At Tirthankara Medical University, Moradabad On 13thSeptember2015.
9. A Case Of Embryonal Rhabdomyosarcoma Presenting As Orbital Cellulitis, UPPATHCON, 2015, XXIII Annual Conference Of IAPM, UP Chapter Held At GSVM , Kanpur On 10thAnd 11thOctober2015.
10. A Cytological And Histomorphological Case Study Of An Unusual Occurrence Of Gonad blastoma With Seminoma And Yolk Sac Tumour In An Anatomically Normal Male Child. UPCYTOCON 2015, 3rdAnnual Conference Of Indian Academy Of Cytopathologists Held On 13thSeptember2015.*(Awarded 1stPrize In Oral Presentation)*
11. Cellulose Acetate Electrophoresis In Identification Of Leishmania Species Causing Cutaneous Leishmaniasis At TROPACON (UP& UKCHAPTER) 2016 at J.N Medical

College, A.M.U, Aligarh On 9th April, 2016.

12. Spectrum Of Hydatidosis: Case Series-A Pathological Perspective At Tropacon (Up & Uk Chapter) 2016,Jn Medical College, A.M.U, Aligarh On 9th April, 2016.
13. Auto-Antibodies Production And Human Hydatid Disease: A Correlative Study, TROPACON (UP&UK Chapter) 2016 at JN Medical College, A.M.U, Aligarh On 9th April, 2016.
14. Granulomatous Dermatoses : A comparative study using special stains on skin biopsies in a tertiary referral hospital of Western Uttar Pradesh at UP MICROCON 2018 , Department of Microbiology, J.N.M.C,A.M.U, Aligarh on 2nd and 3rd feb 2018.
15. Role of Syndecan-1 as a diagnostic marker for plasma cells in patients of Abnormal uterine bleeding with special reference to chronic endometritis: A 2 year study in and around Western Uttar Pradesh at Pathcon and Lab Expo 2017 at The Lalit, New Delhi on 16th and 17th December.
16. Clinicopathological spectrum of interface dermatitis: A study in a Tertiary health centre of Western Uttar Pradesh at IInd Dermatopathology workshop and CME at HIMS, Dehradun on 27th and 28th April 2019
17. Evaluation of the role of transrectal fine needle aspiration as a diagnostic modality in the diseases of prostate with review of literature at CME on Oncopathology at ESIC Faridabad on 17th March 2018
18. Epidemiological and histopathological trends in testicular neoplasms: a 5 year study from a gtertiary health centre of UP at CME on Oncopathology at ESIC, Faridabad on 17th March 2018
19. The histopathological spectrum and diagnostic dilemmas in skin adnexal tumors : An experience of 2 years in a tertiary care hospital of western UP.

CONFERENCES/CME PROGRAMMES AND WORKSHOP ATTENDED

A. INTERNATIONAL

1. 19th AIPNA–ICP International CME 2014, PGIMER, Chandigarh on 6th- 8th February, 2014 at 13th Annual International Conference RGCON 2014 on 15th and 16th February 2014.

2. International Symposium And Slide Session On Women's (Breast And Gyn) Pathology, JN Medical College, A.M.U, Aligarh on 6th and 7th February, 2015.
3. 3rd Indo-Global Summit& Expo on Healthcare, 393rd OMICS InternationalConference, New Delhi,October5th To 7th, 2015.
4. International CME in Pathology, Histopathology And Cytopathology, Goa On4th-6th February2016.
5. International Symposium on Oncologic Pathology, J.N.M.C, A.M.U, Aligarh , 25th January 2018.
6. Evolving concepts and Diagnostic challenges in pathology of luminal Gastrointestinal tract , held at GIPMER, New Delhi on 17th February,2018.
7. 2nd Annual Medical Summit and Venus International Medical Awards at Park Hyatt, Chennai on 6th April 2019.
8. Participated in **APECSA 2020 CONGRESS** organized by Kenya Association of Clinical Pathologist on 13th to 16 th October 2020.
9. Virtual Conference on 5th Annual International Precision Oncology and IBC conference held by Rajasthan Medical College on 22-24 October 2021.
10. Participated in 47th AIPNA-ICP International Pathology CME held on Feb 4-6, 2022, organized by Amrita Institute of Medical Sciences, Kochi

B.NATIONAL

1. Workshop on Basics of Flow Cytometry held by Department of Microbiology, JNMCH, AMU, Aligarh on 17 May 2017
2. Workshop on Molecular diagnostics in Hematology at PATHCON and LAB EXPO 2017 .New Delhi.
3. Microscopy Workshop and CME in Dermatopathology at JN MedicalCollege, A.M.U, Aligarh on 28th September, 2013.
4. Workshop on Molecular Techniques in Pathology at SGPGI Lucknow on12th September2015.
5. FRCPATH Training and workshop at Department of Pathology, JNMC,A.M.U, on 21st and 22nd December 2017
6. First Primer In Paediatric Nephrology held at JN Medical College, A.M.U, Aligarh on7th December,2013.

7. IIIrd Annual Conference of the Delhi Chapter Of Indian Academy Of Cytologists at AIIMS New Delhi on September13th2014.
8. Global Hand Washing Day, Dept. of Microbiology at JN MedicalCollege,12thOctober, 2013.
9. UPPATHCON2014, Ram Manohar Lohya Institute of MedicalSciences, Lucknow, 11th-13thOctober, 2014.
10. Symposium of Hospital Acquired Infection and Antimicrobial Resistance Organized By Dept. Of Microbiology ,J.N.M.C, Aligarh On 9thDecember,2014.
11. UPCYTOCON 2014, 2ndAnnual Conference of Indian Academy Of Cytopathologists, 14thSeptember, 2014.
12. Symposium on Dengue and Malaria: How to tackle the menace organised by Dept. Of Paediatrics, JNMedical College, A.M.U, Aligarh,27thAugust, 2014.
13. CME On Managing Medical Records, JN Medical College, 12thMay2014.
14. Symposium on Gastrointestinal Pathology, SRL Ltd and Fortis Hospitals, Faridabad Haryana, 7thSeptember, 2014.
15. UPPATHCON 2015, XX111 Annual Conference Of Iapm, Up Chapter2015.
16. UP CYTOCON 2015, 3rdAnnual Conference Of Indian Academy Of Cytopathologists Held On 13thSeptember2015.
17. Health Camp– Cum- CME on Thalassemia Organized By Dept. Of Paediatrics at J.N.MC, A.M.U, Aligarh on April26, 2015.
18. TROPACON (UP& UK Chapter) 2016 Organized By Dept. Of Microbiology Held at JN Medical College, A.M.U, Aligarh on 9thApril, 2016.
19. Pathcon & Lab Expo 2017, 4th Annual Conference of Association of Practicing Pathologists, held at The Lalit, New Delhi on 16th and 17th December.
20. UP MICROCON 2018, 14th Annual Conference of UP-UK Chapter held at Department of Microbiology, J.N.M.C, A.M.U, Aligarh on 2nd and 3rd February.
21. CME on "Evolving concepts and diagnostic challenges in pathology of luminal gastrointestinal tract" held at GIPMER, New Delhi on 17 Feb 2018.
22. UP CYTOCON 2018, 6TH Annual conference of UP chapter of IAC, held at Subharti Medical College, Meerut (UP). On 22nd and 23rd September 2018.
23. 2nd Dermatology workshop and CME held by IADVL $ Dermatopathology society of India at HIMS, Jolly Grant , Dehradun on 27th and 28th April 2019.
24. Ist Master class on peripheral blood and bone marrow morphology held at Department of Hematology, SGPGI, Lucknow on 8th September 2018

25. CME on Pediatric Pathology: Current Trends and Perspectives held at SSPH &PGTI, Noida on 16th March,2019.
26. FRC Path Training and Workshop held at JNMCH ON 21, 22nd December 2017.
27. National CME on Recurrent Epithelial Ovarian Carcinoma- A management Dilemma held by Department of Radiotherapy on 30th March 2019 at JNMCH, A.M.U, Aligarh.
28. National CME on Oral Cancer Management: An update held on 27th April 2019 by Department of Radiotherapy and Clinical Oncology at JNMCH, A.M.U, Aligarh
29. CME on Specimen Collection held by Department of Microbiology at JNMCH, A.M.U, Aligarh on 8thAugust 2019.
30. Virtual CME on Breast Cancer: Core Issues held by the Dept of Pathology of AJ Institute of Medical Sciences and Research Centre on 13th November 2021.
31. CME on SRL MEDTALK "Unwanted visitors in Gastrohepatopathology" Organized by Dept of Histopathology, Fortis Escorts Heart Institute Okhla on 10/10/2020.
32. Webinar on **Histo –immunotech** organized by **Tata Memorial Hospital, Mumbai on 20-21/11/21.**
33. Participated in 48th Annual Conference of KCIAPM, KAPCON 2021 Virtual Conference held ONLINE from 01 to 03 October,2021 organized by Karnataka Chapter of Indian Association of Pathologists and Microbiologists.
34. Participated in LBC Masterclass Workshop on Squamous Lesions in Cervical Liquid Based Cytology organized by JSS medical college Bengaluru and BD India on 2/07/2021.

EXTRA CURRICULAR ACTIVITIES

- Proctorial Team Member In Sarojini Naidu Hall,Aligarh Muslim University, Aligarh during the session 2010-2011.
- Active Organizer at "The International Symposium And Slide Session On Women's(Breast and Gyn) Pathology". JN Medical College, A.M.U, Aligarh, 6thand 7thFebruary, 2015.
- Active Organizer at the "Microscopy Workshop & Cmeon Dermatopathology, JN Medical College, 28th september2013, Aligarh.
- Actively participated in Blood Donation Camps By Blood Bank, Dept. Of Pathology, J.N.M.C, A.M.U, Aligarh.

- Voluntary Blood Donation Camp On 28thAugust,2015 Organised By Soch At

J.N.M.C, Aligarh

- Presented Seminar on “Role Of Gene Profiling In The Diagnosis Of Cancer” In The Dept of Pathology ,J.N.M.C,A. M.U, Aligarh.
- Presented Seminar on “Role Of Molecular Techniques in The Diagnosis Of Disease” and “Tissue Microarray” in the Dept. Of Pathology, J.N.M.C, A.M.U, Aligarh.
