Abstract 168

Knife crime is on the rise in UK. Children as young as 12 years of age are getting caught up in a diverse web of class, race, gender, culture and so forth while some of the safeguarding institutions, often blinded by prejudice, focus on thrusting this live snake out of their back gardens leaving our children exposed and trapped in the gap created between organisations. How can we bridge the gap and contain our youth?

Introduction

S.E.R.V.E. Our Youth Creating An Anti-knife Culture Formula™

Is For You If You Are A Professional

Who Works With Youth Involved In Knife Culture … How to Improve Personal Relationships with Young People So That You Can Better Serve, Understand And Communicate With Them.

Leading To Improved Organisational Standards And Better Outcomes Overall

. Even If You Get Frightened Or Frustrated By The Behaviour Of Youth

. Even If You Want To Help But Are Afraid Of Being Perceived As Racist Or Playing The Race Card

. Even If You Are Concerned About Protecting Your Good Reputation

Gain

. Ability To Deal With Highly Emotive Situations With Calmness

. Ability To Read Some of The Unconscious Communications

. Ability To Save Money By Implementing An Easy Effective System

Challenges

***Without* Having To Give Up On Your Youth Who Seem Resistive To Change**

***Without* Having To Take Home, Work Frustrations With You**

***Without* Having To Act Out Intense Feelings Evoked In You By Young People's Challenging Behaviours**

***Without* Having To Rely On Punitive Measures To Manage Behaviours That Are Challenging**

Without Having To End In Conflict Due To Professional Differences

Discussion

Sensitivity	Emotions	Responsibility	Victor	Exclusion
Personal	Stagnant	Divide	Ambivalence	Societal
Organisational	Transference	Demonstrate	Addiction	Psychiatric
Triggers	Opposite	Distortions	Abuse	Attachment
Emotional	Projections	Deliver	Abdicate	Displacement
Re-enactment	Survival	Divert	Afflict	Education

Please Note:

. Political Correctness is Only Helpful When Differences Are Acknowledged And Addressed

. You Have To Start From Sameness, Find A Common Ground To Cultivate Trust And Connectedness

. Improve Your Self-awareness & An Understanding Of The Impact Of Social Values, Biases And Prejudices Around Diversity

. Learn To Look Beyond The Superficial, Checking For Hidden Meanings In Challenging Behaviours
