Chicago, USA

EuroSciCon

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

Moreover you get to meet the industry's high priests who come from all over the Globe. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Gerontologists and Educators accessing the website, 10th Ageing 2019 is the most lucrative platform for practitioners in the fields of Biology, Ageing Research, Nursing, Medicine, Gerontology and Health Care professionals, Professors, Researchers, Academicians and Industry professionals pursuing their work in this field. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile

Healthy Ageing, Gerontology and Geriatrics 2019

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

November 06-07, 2019
Chicago, USA

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Who'd be attending?

Leading world Doctors, Health Care professionals, Professors, Research fellows, Leading Universities, Students, Nurses, Directors of association and societies. 10th Ageing 2019 conference brings together individuals who have an interest in different fields of Geriatrics, Gerontology, Palliative care, Aging and health sciences, health care administrators and students are working in this multidisciplinary field to understand the physiology, biology of Ageing so as to make quality life available to the adults. It is a forum to explore issues of mutual concern as well as exchange knowledge, share evidence, ideas, and generate solutions

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Genetics of Ageing
- Ageing Demographics
- Ageing Disorders
- Ageing Technology
- Clinical Trials of Ageing
- Cognitive Ageing
- Evolution of Ageing
- Geriatric Nutrition
- Geriatrics and Mental Health
- Geroscience
- Health Science and Geriatrics
- Life Extension Science
- Senescence
- Theories of Ageing

About Destination Chicago, USA

Chicago has a population of 2,716,450, which makes it the most populous city in both the state of Illinois and the Midwestern United States. It is the county seat of Cook County, the second most populous county in the U.S. Chicago is the principal city of the Chicago metropolitan area, which is often referred to as “Chicago land.” The Chicago metropolitan area has nearly 10 million people, is the third-largest in the United States, the fourth largest in North America, and the third largest metropolitan area in the world by land area. Chicago is the birthplace of the skyscraper, and considered the most influential architectural city of the 20th century. Chicago was the second most visited city in the United States with 55 million domestic and international visitors, not far behind the 62 million visitors to New York City in 2017. Chicago has professional sports teams in each of the major professional leagues, including two Major League Baseball teams. The city has had several nicknames throughout its history such as the Windy City, Chi-Town, Second City, and the City of the Big Shoulders, referring to its numerous towers and skyscraper.
