PLAN A TRIP TO SYDNEY:
DESTINATION OF OBESITY CONFERENCE 2019

Sydney is the state capital of New South Wales and the most populous city in Australia and Oceania located on Australia's east coast, the metropolis surrounds the world's largest natural harbour and sprawls about 70 km (43.5 mi) on its periphery towards the Blue Mountains to the west, Hawkesbury to the north and Macarthur to the south. Sydney is made up of 658 suburbs, 40 local government areas and 15 contiguous regions. Sydney is a vibrant, cosmopolitan city with a diverse population featuring a rich history, internationally-recognized tourist attractions and an exciting calendar of events. The City of Sydney is the local government authority responsible for the city center and more than 30 suburbs within our boundaries. The major City attractions are Sydney Opera House, Sydney Harbour Bridge, Bondi Beach, Taronga Zoo, and Darling Harbour.

Sydney is one of the world's most green, global and connected cities. As Australia's leading global city and the gateway to Asia, Sydney is the destination of choice for international corporations, business leaders, tourists and students. Sydney provides headquarters for almost 40% of the top 500 Australian corporations. Digital, financial, educational and creative businesses are all thriving in Sydney – supported by our robust economic strategy.Through the City of Sydney's Sustainable Sydney 2030 program, Sydney is recognized internationally for its outstanding environmental performance and major cultural events, and as a future focused and innovative business centre.Sydney is also host to one of the largest Chinese New Year Festivals in the world.

The must visit places inthe city includes

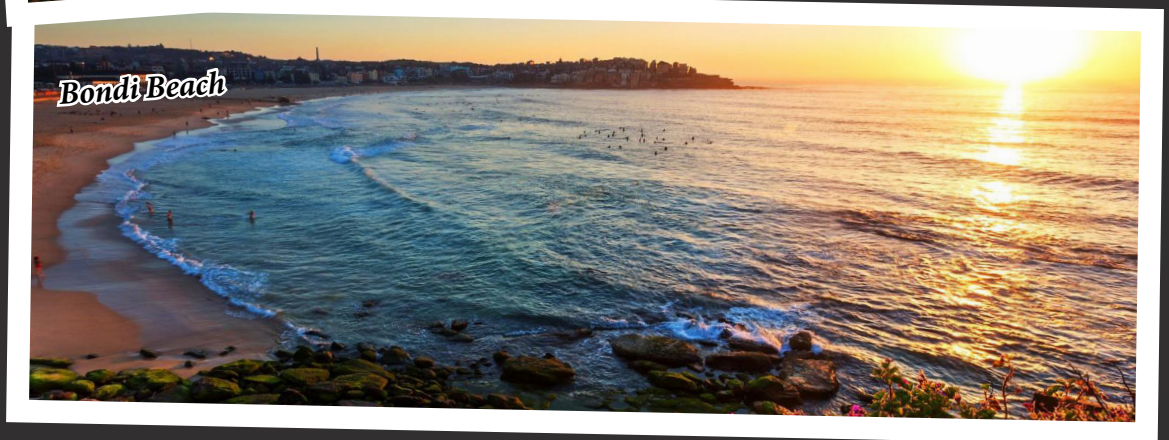

Sydney Opera House
Great Barrier Reef Marine Park
Sydney Harbour Bridge
Bondi Beach
