

EuroSciCon

15th International Conference on

Biomass & Bioproducts Engineering

December 05-06, 2019
Dubai, UAE

Theme:
Creation of green planet with biomass technology

EuroSciCon

15th Biomass

2019

Invitation

We are glad to announce the 15th International Conference on Biomass & Bioproducts Engineering to be held in Dubai, UAE from December 05-06, 2019 organized by EuroSciCon ltd, UK in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

This conference is a unique international platform that's a confluence of all stake holders of the ecosystem - Industry, Academia, Researchers, Innovators, Regulators - coming together to present and discuss current topics in Biomass Technologies, Biomass Gasification & Pyrolysis, Agro - Bioenergy, Bioenergy Technologies, Bioenergy Resources, Biofuels And Energy Security, Renewable Chemicals, Biorefining Technologies, Bioproducts & Biosystems Engineering, Green Technology, Biodiesel & Biogas, Bioalchol & Bioethanol, Biopower Generation Techniques, Production Of Biofuels Debate will be available to discuss.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is about learning every day. Make it count in your professional life. Attend the 15th Biomass 2019 Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Dubai, UAE - December 05-06, 2019.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

2019

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Chemical Engineers and Biomass Engineers accessing the website, 15th Biomass 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

15th Biomass 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

December 05-06, 2019
Dubai, UAE

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

15th Biomass

2019

Who'd be attending?

15th International Conference on Biomass & Bioproducts Engineering plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Fuel Engineers, Chemical Engineers, Engineers and Delegates from Aviation and Automobile companies, Directors/Co-Directors of Research based companies across Europe and US who are investing in Biomass & Bioproducts Engineering and others who stay plunged in learning and practice of the science of technology.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Biomass Technologies
- Biomass Gasification & Pyrolysis
- Agro - Bioenergy
- Bioenergy Technologies
- Bioenergy Resources
- Biofuels And Energy Security
- Renewable Chemicals
- Biorefining Technologies
- Bioproducts & Biosystems Engineering
- Green Technology
- Biodiesel & Biogas
- Bioalchol & Bioethanol
- Biopower Generation Techniques
- Production of Biofuels

Dubai, UAE

About Destination Dubai

Dubai is a city in the United Arab Emirates, situated inside the emirate. The emirate of Dubai is situated on the southeast shoreline of the Persian Gulf and is one of the seven emirates that make up the nation. It has the most population in the UAE (2,106,177) and the second-biggest land an area by region (4,114 km2) after Abu Dhabi. It is one of only a handful couple of urban communities on the planet that has withstood such a quick transformation from an obliging start as a pearl-jumping focus - to one of the quickest developing urban areas on earth. Dubai nowadays is a business endeavour, exchange and supply centre. It is conjointly thought of dynamic core of the Arabian Gulf area. With year-round sunshine, fascinating deserts, lovely beaches, luxurious hotels and shopping malls, eye-catching heritage attractions and a prosperous business community, Dubai receives millions of leisure and business visitors each year from around the world is one of the few cities in the world that has withstood such a rapid conversion- from a courteous beginning as a pearl-diving centre - to one of the fastest growing cities on earth and has attained itself the name of being the 'gateway between the east and therefore the west'.

Dubai provides a world class education and also huge job opportunities. The best-known universities in Dubai are the American University of Dubai, Al Ghurair University, Dubai American University, Wollongong University in Dubai and the British University of Dubai, which offer courses in Business Administration, engineering, architecture and interior Design.

The American University of Dubai is one of six Emirati universities listed in QS World University Rankings 2014/2015. In 2013, the Synergy University Dubai campus opened its campus at Jumeirah Lakes Towers, being a first university in Dubai located outside the educational zones. Attending and contributing to the summit will definitely enhance your cultural and scientific experience and open further opportunities for you and your career.
