10:50-11:20 **Title: DIZZINESS-Unplugged**

Debashis Acharya, Primary Health Care Corporation(PHCC), Qatar

11:20-11:50 **Title: Brain functional connectivity with EEG for neural disorders**

Kalyana C Veluvolu, Kyungpook National University, South Korea

Sessions: Head and Neck Surgery and Otology | Obstructive sleep apnea | Otolaryngology | Laryngology | Rhinology And Allergy | Otorhinolaryngology | Rhinology And Allergy

Session Chair: Mark Shikowitz, Albert Einstein College of Medicine, USA

Session Co Chair: Debashis Acharya, Primary Health Care Corporation(PHCC), Qatar

Session Introduction

11:50-12:15 **Title: Coblation Intracapsular tonsillectomy in children with recurrent tonsillitis: Initial experience**

Sameer Khemani and **Jack Faulkner** Surrey & Sussex Healthcare NHS Trust, UK

12:15-12:40 **Title: A non-inferiority trial: Safety and efficacy of 1:1000 vs. 1:10,000 topical adrenaline in sino-nasal surgery**

Cassie Dow, University of New South Wales, Australia

Group Photo

Lunch Break 12:40-13:30 @ Seletar Foyer

13:30-13:55	Title: A systematic review and meta analysis of predictors of airway intervention in adult epiglottitis **Anders Sideris,** Prince of Wales Hospital, Australia
13:55-14:20	Title: Aural myasis in children **Rajaneesh Ranjan,** Patna Medical College & Hospital, India
14:20-14:45	Title: Acinic cell carcinoma of the salivary gland: A multicentre survival analysis **Anders Sideris,** Prince of Wales Hospital, Australia

Sessions: Ophthalmology | Neuro-ophthalmology | Neurodegenerative Disorders | Neurophysiology

Session Chair: Mahmoud Aly Rageh, Research Institute of Ophthalmology, Egypt

Session Co Chair: Kalyana C Veluvolu, Kyungpook National University, South Korea

14:45-15:10	Title: Anti-B2-glycoprotein I autoantibody expression as a potential biomarker for strokes in patients with anti-phospholipid syndrome **Husham Bayazed,** University of Zakho, Iraq
15:10-15:35	Title: How to create post-operative comitance in strabismus due to advanced thyroid disease (case presentation) **Mahmoud Aly Rageh,** Research Institute of Ophthalmology, Egypt

Networking & Refreshment Break 15:35-15:55 @ Seletar Foyer

15:55-16:20	Title: Comparison of two laser capsulotomy techniques cruciate versus circular **Shir Mohammad Amirzada,** Kabul University Eye Hospital, Afghanistan
16:20-16:45	Title: Techniques to perform specular microscopy: Endothelial cell Counting (ECC) and Endothelial Mosaic Mapping (EMM) **Fernando Cesar Abib,** Univsersity of Parana, Brazil
16:45-17:10	Title: Analysis of the sampling error of the specular microscopy and their examinations reability indexes, using the main brands of specular microscopes **Fernando Cesar Abib,** Univsersity of Parana, Brazil

YRF

17:10-17:25	Title: Cortical spreading depression in rats alters electrophysiological properties of TG neuron more than serotonin depletion **Naeemah Haji-a-sa,** Chulalongkorn University, Thailand
17:25-17:40	Title: The alteration of plasma monoamine neurotransmitters related to psychiatric, sleep, and sexual problems in Parkinson's disease patients **Patsorn Wichit,** Chulalongkorn University, Thailand

Agenda Day 2: May 28, 2019

Poster Presentations 10:00-11:00 @ Foyer

Poster Judge: Sameer Khemani, Surrey & Sussex Healthcare NHS Trust, UK

Networking & Panel Discussion

Awards & Closing Ceremony
