World Congress on

Nursing

May 16-17, 2022 | Berlin, Germany

Theme: Exploration of new innovations and methods in Nursing & Healthcare

Invitation

We are glad to announce the World Congress on Nursing to be held in Berlin, Germany from May 16-17, 2022 organized by EuroSciCon ltd, UK in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

The event will have Keynote speakers, Plenary speakers, Invited speakers and fresh contributed speakers. In addition, a variety of poster presentations along with workshops and special sessions would be interested in listeners.

The aim of the World Congress on Nursing is to promote quality research and real-world impact in an atmosphere of true international cooperation between doctors and nurses by bringing together again the world-class researchers, International Communities and Industrial heads to discuss the latest developments and innovations in the fields of Nursing & Health Care Conference.

We sincerely hope that Nursing conferences serves as an international platform for meeting researchers from around the world, widen professional interaction and create new opportunities, including establishing new alliances. We are looking forward to seeing you at World Congress on Nursing 2022 in Berlin, Germany.

Sincerely,
WORLD NURSING CONGRESS 2022
Organizing Committee

EuroSciCon

A Transformational Learning Experience

1. Curated to address the concerns of today's scientific world
2. Be inspired by some of the world's most renowned figures
3. Stimulate new ways of thinking and provoke action.
4. Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

With over 25000+ Ergonomists, Engineers, Scientists, Students Technologists accessing the website, EuroSciCon Chemical Engineering Conference 2021 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

World Nursing 2022 Salient Features:

In a world of information overload, we focus on the issues most relevant to today'stechnical trends enabling our patrons to Congregate with most senior executives Nurture connexions Agenda format which incorporates ample Q&A time Partake in our revamped exhibitor expo sessions Meet and listen to the relevant clients Unprecedented growth creating an unparalleled market place

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

Who'd be attending?

World Congress on Nursing 2022 is aimed to give an opportunity that with scholars from around the world focused on learning about World Nursing 2022 and its advances; this is the best opportunity to reach the largest gathering of participants from the Nursing & health care Conference & Nursing community. It provides an explicit platform for presentations distributes information, meets with current and potential scientists. World-renowned speakers, the most recent techniques, developments, and the latest updates in Nursing & Health Care Congress are hallmarks of this conference.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Medical, Institute of Biomedical Science (IBMS) and British Society for Nursing & Health Care Congress Conference. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

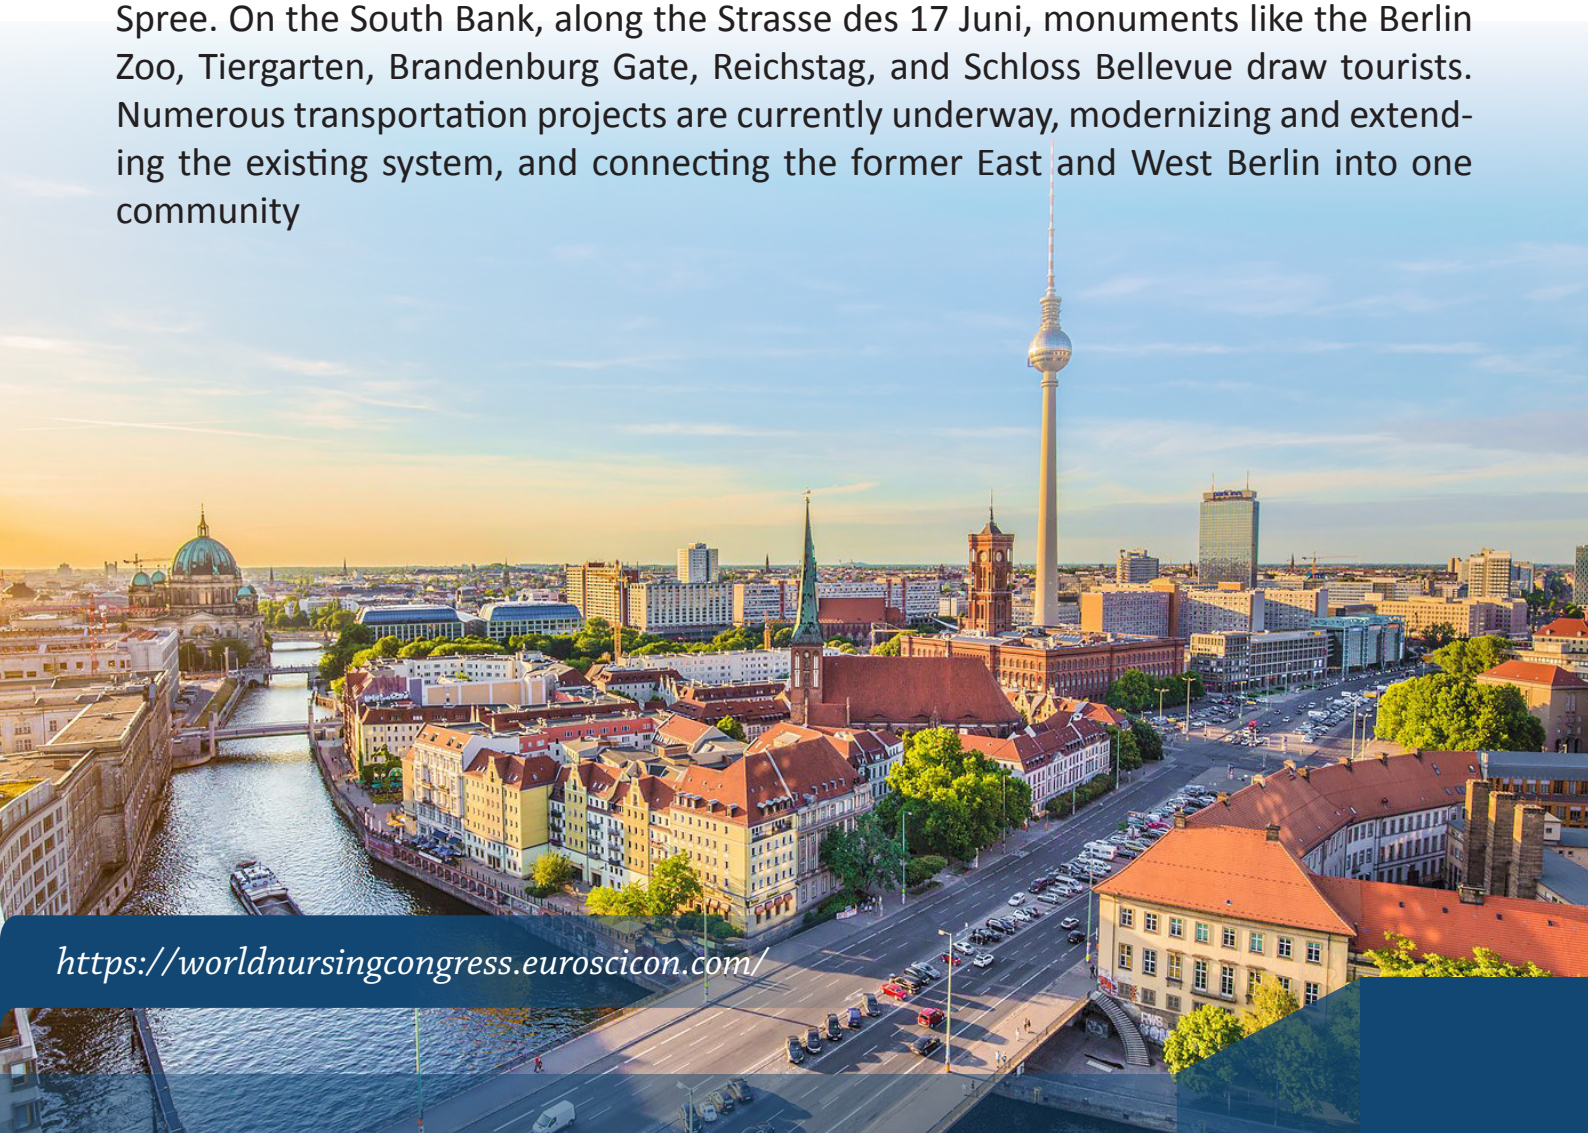

- Adult Health Nursing
- Adult Nurse Practitioner
- Advance Nursing Practice
- Advanced Healthcare
- Advanced Nursing
- Advanced Nursing And Future Nursing
- Advanced Nursing Care
- Advanced Nursing Practice
- Pediatric Trauma
- Pediatric Vaccines
- Pediatrics & Geriatric Patient Safety
- Pediatrics And Neonatal Care Nursing
- Pediatrics Healthcare
- Pediatric?nursing
- Perinatal HIV And Breastfeeding
- Perioperative Nursing

About Destination Berlin, Germany

The political home of Germany's Federal Government and the educational center of Germany, Berlin is the nation's capital and busiest city.

Although major reconstruction projects have helped make Berlin an attractive, modern city, the shadows of World War II(1939-45) and the BerlinWall still darken its recent history. This is the seat of German power, where Adolf Hitler (1889-1945) gained control in 1933 by marching through the Brandenburg Gate and taking over parliament in the Reichstag building. After World War II, Berlin turned into a Cold War battleground, separated into a Soviet-influenced East and an American-influenced West by the Berlin Wall in 1966. But, there are startling contrasts to war in Berlin, such as the intellectual and scientific blossoming of the Enlightenment during the 1700s and "golden" 1920s of the twentieth century.

Berlin is located in the northeastern corner of Germany on the banks of the river Spree. On the South Bank, along the Strasse des 17 Juni, monuments like the Berlin Zoo, Tiergarten, Brandenburg Gate, Reichstag, and Schloss Bellevue draw tourists. Numerous transportation projects are currently underway, modernizing and extending the existing system, and connecting the former East and West Berlin into one community
