# ABOUT NEW YORK

New York is the most densely populated major city in the United States, located at the southern tip of the state of New York. This City is one of the relatively few American cities levying an income tax (currently about 3%) on its residents.Tourism is a vital industry for New York City, which has witnessed a growing combined volume of international and domestic tourists, receiving an eighth consecutive annual record of approximately 62.8 million visitors in 2017. The Statue of Liberty National Monument and Ellis Island Immigration Museum are managed by the National Park Service and are in both the states of New York and New Jersey.

New York is a global hub of business and commerce, as a center for banking and finance, retailing, world trade, transportation, tourism, real estate, new media, traditional media, advertising, legal services, accountancy, insurance, theater, fashion, and the arts in the United States.
