Acupuncture and Meridian Studies

Acupuncture 2019

April 22-23, 2019 | Rome, Italy

INVITATION

Acupuncture 2019

Meetings International proudly announces the **International Conference On Acupuncture and Meridian Studies** scheduled during **April 22-23, 2019 in Rome, Italy.** The conference emphasizes the theme "**Modern Science For Better Life With Ancient Wisdom**".

This conference aims at connecting experts like acupuncture practitioners, oriental medicine faculty, researchers, students and business professionals who are involved in preservation, advancement and integration of acupuncture into the modern healthcare to enhance public health. Acupuncture, being one of the most widely used alternative medicines is taking ground worldwide by helping in getting relief from various acute and chronic diseases. This conference provides the best platform to the scientific community and industry to share their experiences and researches, wherein they can add to the society and get to know about the latest techniques of acupuncture which can help in their personal growth as well.

Sincerely,
Operating Committee
CEO and Founder
