Invitation

A Webinar is an online seminar that turns a presentation into a real-time conversation from anywhere in the world. Webinars allow large groups of participants to engage in online discussions or training events and share audio, documents or slides – even when they're not in the same place as the meeting host or in the same room where the event or presentation is taking place.

Addiction Conferences team is proud to host the 11th International Conference on Alcohol, Drugs and Addictive Behaviours | Webinar | December 21-22, 2020. This year's theme is Unifying the new discoveries towards Addiction recovery for better health. Addiction 2020 will provide an unprecedented opportunity for Addiction Researchers, related Professionals of all stripes and colors to share their research with colleagues, discuss and debate the latest advances in the field. We invite researchers and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome. With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Addiction 2020 webinar is the perfect venue not only to dive into your particular Addiction recovery interests but also to expand the scope of your knowledge.

About EuroSciCon

EuroSciCon is the longest running independent life science events company with a predominantly academic client base.
