Reintegrating innovations in Addiction Psychiatry to improve Mental Health

EuroSciCon

Addiction Psychiatry

2020

Invitation

Welcome to the City of Arts and Science, and experience the science of Psychology illuminated as never before. EuroSciCon is proud to host the 10th International Conference on Addiction Psychiatry & Mental Health, April 13-14, 2020 in London, UK. This year's theme is "Reintegrating innovations in Addiction Psychiatry to improve Mental Health".

Addiction Psychiatry 2020 will provide an extraordinary opportunity for Psychiatrists of all strips and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Psychiatrists, Pharmacologists, and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Addiction Psychiatry Conference is the perfect venue not only to dive into your field of psychological interests but also to expand the scope of your knowledge. 30 tracks are devoted to subjects such as the psychology, psychiatry, psychotherapy, anti-psychotics, advanced therapeutic.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Psychological forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures

About London

London is the capital and most populous city of England and the United Kingdom. Standing on the River Thames in the south east of Great Britain. It was founded by the Romans, who named it Londinium. It is one of the world's leading financial centers and has the fifth-or sixth-largest metropolitan area GDP in the world depending on measurement. London is a world cultural capital. It is the world's most-visited city as measured by international arrivals and has the world's largest city airport system measured by passenger traffic. It is the world's leading investment destination, hosting more international retailers and ultra-high-net-worth individuals than any other city. London's 43 universities form the largest concentration of higher education institutes in Europe, and according to 2014 report it is placed first in the world university rankings. According to the report London also ranks first in the world in software, multimedia development and design, and shares first position in technology readiness.
