Addiction Research & Behavioural Health

Addiction Research 2019

October 14-15, 2019 | Miami, USA

INVITATION

Addiction Research 2019

Meetings International proudly announces the **2nd International Conference on Addiction Research & Behavioural Health** scheduled during **October 14-15, 2019 at Miami, USA.** The conference emphasizes the theme "**EXPLORING INNOVATIONS IN ADDICTION RESEARCH PRESENT ERA**".

Meetings International provides an international dais for scientists and animal health science professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. Addiction is a condition in which individual locks in within the use of a substance or in behaviour for which the rewarding impacts give a compelling incentive to repeatedly pursue the behaviour despite inconvenient results. Addiction may include the utilization of substances such as liquor, inhalants, opioids, cocaine, nicotine, and others, or practices such as gambling. Addiction is preventable. Teachers, parents, and health care providers have crucial roles in educating young people and preventing addiction.

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD.

ABOUT MIAMI

Addiction Research 2019

Miami is the cultural, economic and financial center of South Florida and also the seat of Miami-Dade County, the most populous county in Florida and most southerly major city in the continental United States. Miami is located on the Atlantic coast, a few 2° north of the Tropic of Cancer, and features a warm subtropical marine climate, with a normal yearly temperature of almost 75° F (24° C).Because of its mild weather, ocean setting, and extensive resort facilities, Miami, together with its environs, is one of the great tourist centers of the world.
