16TH INTERNATIONAL CONFERENCE ON

ADVANCE MATERIAL & NANOTECHNOLOGY

JUNE 22-23, 2020 | ZURICH, SWITZERLAND

Advance Materials
2020

Invitation

Advance Materials 2020

Dear Attendees,

16th International Conference on Advance Material & Nanotechnology is a prestigious event organized with a motivation to provide an excellent international platform for the academicians, researchers, engineers, industrial participants and budding students around the world to express their research findings with the global experts. Advance Materials 2020 will be held in Zurich, Switzerland on June 22-23, 2020.

It likewise gives a chief interdisciplinary stage to specialists, professionals and instructors to introduce and talk about the latest developments, patterns, and worries just as commonsense difficulties experienced and arrangements received in the fields of Advance Material & Nanotechnology. This Conference is sorted out by Meetings International. The meeting would offer countless welcomed addresses from prestigious speakers everywhere throughout the nation. The Best paper grants will be given for the papers made a decision to make the most noteworthy commitment to the meeting.

Sincerely,

Operating Committee

Conference Highlights

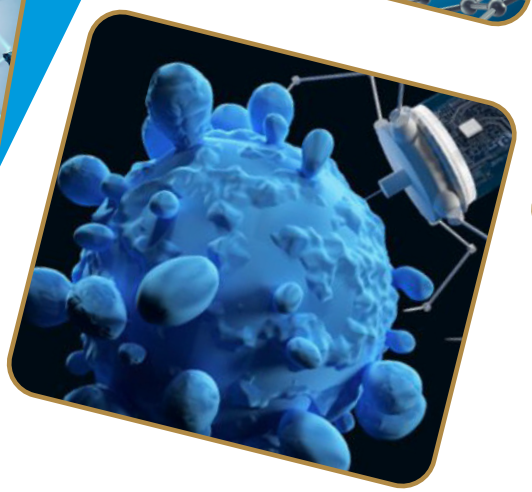

Advance Materials 2020

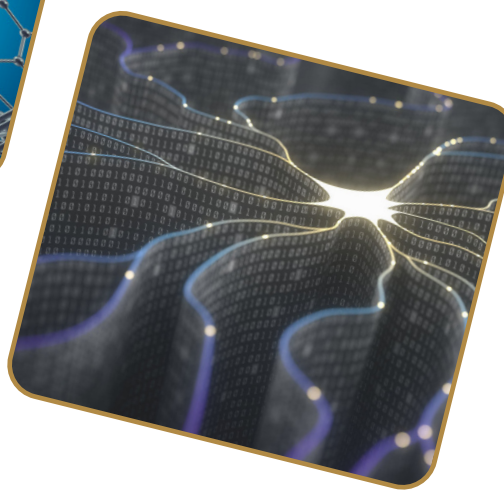

- Advance Materials and Functional Devices
- Engineering Materials and Composite Materials
- Magnetic & Multiferroic Materials
- Advanced Optical & Magnetic Materials
- Advanced Bio-Materials & Bio-Devices
- Cluster Science & Nano-toxicology
- Energy Materials & Harvesting
- Advancement in Nanomaterials Science & Nanotechnology
- Nanomaterials & their Properties
- Carbon Nanostructures & Graphene
- Nanomedicine & drug Delivery
- Nanotechnology in Water Treatment

To identify the future directions of research

Peer review and high quality publication

Quality research

Explore Zurich

Zurich is the largest city in Switzerland and the capital of the canton of Zurich. It is located in north-central Switzerland. The official language of Zurich is German but the main spoken language is the local variant of the Alemannic Swiss German dialect, Zurich German. Most of Switzerland's research and development centres are concentrated in Zurich.Switzerland ranks at or near the top globally in several metrics of national performance, including government transparency, civil liberties, quality of life, economic competitiveness, and human development. Zurich has been ranked among the top cities in the world in terms of quality of life according to Mercer.
