Invitation

Welcome to Amsterdam, the City of Arts and Science, and experience the science of nursing illuminated as never before. EuroSciCon is proud to host the 10th International Conference on Advance Nursing Practice at February 24-25, 2020 in Amsterdam, Netherlands. This year's theme is Renovating Nursing Science with Advanced Practice and Research. Advance Nursing Practice 2020 will provide an unprecedented opportunity for Nurses of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Nurses, pharmacologists, and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Advance Nursing Practice Conference is the perfect venue not only to dive into your particular nursing interests but also to expand the scope of your knowledge. Tracks are devoted to subjects such as the Nursing types, Oncology nursing, Travel nuse and so on.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Nursing forum in person is your active participation.
