International Conference on

Agriculture & Plant Biotechnology

October 31-
November 01, 2019
Dubai, UAE

Theme:
Revolutionizing Agriculture for Secured Future

EuroSciCon

Agri

2019

Invitation

Dear Attendees,

We are glad to announce and proud to welcoming you to attend the International Conference on Agricultural & Plant Biotechnology During October 31-November 01, 2019 Dubai, UAE, organized by EuroSciCon, in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. This Conference is a unique international platform that's a confluence of all stakeholders of the agriculture and plant– Industrialist, Academia, Researchers, Scientist.

Agri 2019 will be available to discuss with you the latest issues and trends in unveiling the emerging research for delivering effective concepts on scientific agriculture and plant research.

Theme: Revolutionizing Agriculture for Secured Future. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the International Conference on Agriculture & Plant Biotechnology to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to this October.

Sincerely,

Sandy Brown
Program Director | Agri 2019

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

EuroSciCon

Agri

2019

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development. And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences are happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business. Moreover you get to meet the industry's high priests who come from all over the world. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

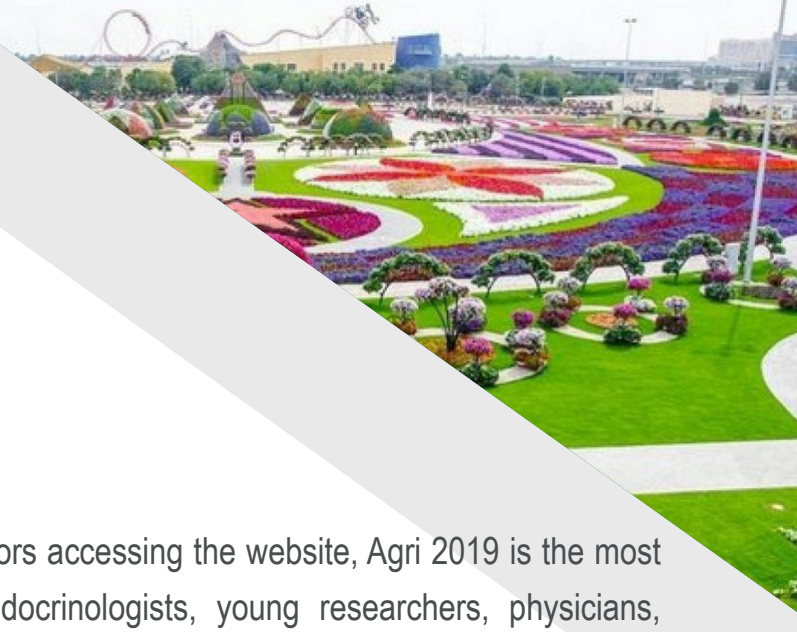

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Practitioners and Educators accessing the website, Agri 2019 is the most lucrative platform for diabetologists, endocrinologists, young researchers, physicians, academicians, industry professionals , lab technicians, nurses, diabetes educators, nutritionists, dietitians and students pursuing their work in the field. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Agri 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

October 31-
November 01, 2019
Dubai, UAE

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Agri

2019

Who'd be attending?

Agri 2019 will provide a platform for the Agriculturist, Plant researchers and experts both from Industry and Academic working in various subdomains of Agriculture and Plant science. This conference is open for all the Agriculture researcher, Scientist, Industrialist, plant researchers, biotechnologist, agriculturist and students. It is a forum to explore issues of mutual concern as well as exchange knowledge, share evidence, ideas, and generate solutions.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 18 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Sustainable Agriculture
- Organic Farming
- Agriculture Technology
- Agroforestry & Landscaping
- Agronomy
- Plant Science
- Plant Technology
- Soil Science & Water Management
- Agriculture and Food Security
- Plant Biotechnology
- Plant Physiology
- Fertilizers and Pesticides
- Plant Breeding
- Plant Pathology and Agricultural Science
- Medicinal and Aromatic Plant Sciences
- Agricultural Biotechnology
- Plant and Environment
- Plant Biology
- Plant Genetics and Genomics
- Food Science
- Plant Molecular Biology
- Agricultural Waste Management
- Crop Protection
- Agricultural Production Systems and
- Agribusiness

About Destination Dubai

Dubai is the capital city of the United Arab Emirates (UAE), and the largest of the seven emirates federation. Year-round sunshine, pristine beaches, spectacular sand dunes, and pulsating cosmopolitan lifestyle await every guest in Dubai. This emirate is known around the world for its massive oil reserves and majestic mosques with towering minarets. These, combined with the distinct Arabic hospitality and mystique - and world-class infrastructure - make Dubai an excellent destination both for the experienced and novice traveler.

Dubai, Arabic Abu Zaby, city and capital of Abu Zaby emirate, one of the United Arab Emirates (formerly the Trucial States, or Trucial Oman), and the national capital of that federation. The city occupies most of a small triangular island of the same name, just off the Persian Gulf coast and connected to the mainland by a short bridge. Dubai was formerly an undeveloped town of only local importance, but the emirate's oil revenues enabled it to evolve into a modern city with a fully developed infrastructure.
