Plan A Trip To Dubai: Destination of Agrifood Security 2019

Dubai is the capital city of the United Arab Emirates (UAE), and the largest of the seven emirates federation. Year-round sunshine, pristine beaches, spectacular sand dunes, and pulsating cosmopolitan lifestyle await every guest in Dubai. This emirate is known around the world for its massive oil reserves and majestic mosques with towering minarets. These, combined with the distinct Arabic hospitality and mystique - and world-class infrastructure - make Dubai an excellent destination both for the experienced and novice traveler. Dubai, Arabic Abu Zaby, city and capital of Abu Zaby emirate, one of the United Arab Emirates (formerly the Trucial States, or Trucial Oman), and the national capital of that federation. The city occupies most of a small triangular island of the same name, just off the Persian Gulf coast and connected to the mainland by a short bridge. Dubai was formerly an undeveloped town of only local importance, but the emirate's oil revenues enabled it to evolve into a modern city with a fully developed infrastructure
